

Volk to Try Again in Development of McMullan Site

Developer Frank J. Volk Sr., today thanked Van Buren voters who turned out to endorse Lakeland Park and its tax benefits as he analyzed loss of the special rezoning referendum by the narrow margin of 66 voters out of 1,466 cast.

Despite clean skies and fine spring weather, property owners trickled to the polls to record the light vote which denied, at least for the time being, an opportunity to build sorely needed tax base for township and school district operations.

The balloting started Volk immediately on plans for the next step toward gaining approval for an apartment development on 147 acres of McMullan land between the free-

way and Belleville Lake west of Beckley road. "Of course, I will try again," he said after the election. "I own the land and have every right to develop it, preferably in its highest and best use. Remaining unused, the land has little value to the township or to me."

"WE MAY have lost this skirmish, but we're a long way from losing the war," Volk blamed the light vote

largely on the fact that the ill-fated school millage election had been set for the day before, requiring voter visits to the polls on two successive days. Ironically, the school board would have benefited more than anybody had the rezoning been approved.

Yet Volk was cheered by the fine showing for his plan to build a planned golf course community of 2,000 luxury apartments which would have increased the tax yield from the

present \$4,500 to \$720,000 in the five to 10 years it would take to build Lakeland Park. "This close result is anything but a mandate against Lakeland Park," he said. "It shows that at least 700 voters recognized the economic facts and ignored the opposition's last-ditch flurry of distortions and untruths. If just a slightly higher percentage had voted - and another 200 voters had turned out, the rezoning would have won handsily."

"WE STARTED out herewith the usual negative reaction against apartments, and we started out without any votes at all in opposition to an organized, politically-oriented group of more than 800. Not only did we erode some of the opposition, but we won 700 definite backers."

"It is sad indeed when 766 people, living in a relatively limited area, can decide the financial future of nearly 10,000

township residents scattered over 36 square miles.

"They accomplished this at tremendous cost in future tax revenues - which will have to be replaced out of individual taxpayer pockets unless we win in the end. Further school millage requests are inevitable, as are continuing increases in the cost of county and township government."

"They won in the face of approval of the project by township officials elected to watch

over the welfare of all the people, and in the face of approval by township and outside planners and endorsement by the Chamber of Commerce. "Apparently they thought they were choosing between open fields and apartments, when the choice actually lay between surpluses in the tax base and increased deficits that always come with more single homes if not balanced by new tax base."

(See APARTMENT page 2)

MUSCULAR DYSTROPHY VICTIM

Drive to Make Youth's Dream Come True Inaugurated Here

Editor's Note--Fulfillment of a dream of a Belleville youth, a victim of Muscular Dystrophy, of wanting to visit Disneyland is a project of four Belleville housewives, who have initiated a drive to make it a community-wide affair by distributing a plea for funds to finance the trip. We heartily endorsed their efforts as related in the following articles.)

"Destination Disneyland" BELLEVILLE -- Nothing is impossible if you just wish hard enough. That's what Charles Price found out recently.

Through the efforts of several of his friends, Mayor Royce E. Smith, and the open hearts of the people of Belleville,

"Charlie" will one day soon be flying to California with his parents for a trip to the magical "Disneyland."

Nearly all local organizations and clubs and many businessmen have been contacted to help make the trip possible.

Charles, the son of Mr. and Mrs. Cletus Price, 130 South Edgemont, is a twelve-year old victim of muscular dystrophy. For several years he has dreamed of going to Disneyland. He attends the Rackham School in Ypsilanti where he is a member of the Boy Scouts. At home he shares enjoyable times with his sisters, Kim, 13; and Andrea, 10; and his brother, John, 9.

THE DATE for Charlie's trip has not been set as yet, but you

can bet he's looking forward to it.

If you wish to contribute to the fund for the trip, you may do so by mailing your contribution to Charles Price, c/o Mrs. Edward Slenko, 140 South Edgemont, Belleville, Michigan, 48111 or to Mayor Smith, Irwin W. Stech, Police Chief, or any Belleville police officer.

Spearheading the fund drive are: Mr. and Mrs. Jerry Mason, Mr. and Mrs. John Thompson, Mr. and Mrs. Ron Thompson, and Mr. and Mrs. Edward Slenko.

Contributions should be made payable to Charles Price, 140 S. Edgemont, Belleville, Michigan, 48111.

"MAKING A DREAM COME TRUE" for a Belleville youth, a victim of Muscular Dystrophy, is a project adopted by four Belleville housewives (three pictured above). They are initiating a drive for funds to finance a trip to Disneyland for the youth, who has dreamed of going to Disneyland for several years. Left to right are: Mrs. John Thompson, Mrs. Edward Slenko and Mrs. Ron Thompson. Mrs. Jerry Mason was not available when taking of the above picture. (See appeal page 2)

Belleville High School Selects 1968 Graduation's Top Scholars

BELLEVILLE -- The selection of three top scholars at Belleville High School as Co-Valedictorians and Salutatorian for the 1968 graduation commencement exercises was announced by John B. Ford, school principal.

Graduation ceremonies this year will again be held in the Bowen Field House of Eastern Michigan University June 12. There are 415 students graduating this year.

Miss Lillian R. Phillips, daughter of Mr. and Mrs. Theodore Phillips of 14315 Haggerty Road; and Miss Patricia Ann Wykes, daughter of Mr. and Mrs. Stuart Wykes of 1090 DeSoto, Ypsilanti were selected as Co-Valedictorians.

Kenneth L. Horste, son of Mr. and Mrs. Robert Horste of

51 East Huron River drive was selected Salutatorian.

Miss Patricia Ann Wykes is a member of the National Honor Society, two years; president of the Quill and Scroll for two years, president of the Biology Club and a member of this club during all of her high school years.

She is editor-in-chief of the Yearbook and a member of the Student Council. She also is a member of the French Club, Ski Club, Y-Club and was captain of the Cheerleaders for two years.

She had been voted the "most likely" to succeed by her fellow students. She will be attending Michigan State University in the fall majoring in Special Education-mentally retarded children.

Patricia Ann Wykes

Lillian R. Phillips

during her junior year of the Spanish Club and a member for four years.

Her main interest is in art and she intends to pursue this in future studies.

Kenneth Horste is president of the National Honor Society, a member of the J.E.T.S., the high school's gold team and a member of a local rock band.

Kenneth L. Horste

AN EDITORIAL

We Welcome Mrs. Roe's Candidacy

The Enterprise-Roman warmly welcomes the announcement of the candidacy of Mrs. Doris Roe for a position on the Board of Education of Van Buren School District. Mrs. Roe's petition was filed late Monday afternoon so we have had no opportunity to talk at length with her relative to her reasons for seeking this office.

However, her many years of service as a teacher and a counselor in the Van Buren school system eminently qualify her for this position on the board. We can think of no one more aware of the problems and the needs of Van Buren's expanding educational system.

We have long felt that any school board could well utilize the thinking and the viewpoint of a qualified woman member. We are hopeful Mrs. Roe will, in the interim period between now and election time, make known her thoughts on the many issues that currently confront Van Buren School District.

Six Seek Romulus School Post

ROMULUS-- Romulus Community School's June 10 election will choose a four-year Board of Education that are expiring this year.

Nominating petitions were filed by the following, including the two incumbents who are seeking new terms: William M. Oakley of 9875 Tobine, who replaced Herbert F. Shaln, when he resigned from the School Board in 1967.

Davis B. Draper of 11019 Elmview, who is finishing his first four-year term.

Charles J. Dick, Jr., of 34449 California, who is making his bid for a board membership.

Mrs. Marilyn (Kitty) Laster of 34821 Michele Drive, Andrew Lopota of 6711 Merriam road, Inkster.

In addition to voting on filling two School Board terms, voters are being asked to vote on a graduated Millage Proposition of three mills for 1969 and five mills for 1970-1972 for school operations.

MRS. DORIS ROE

THREE VIE FOR TERM

Mrs. Doris J. Roe Seeks School Post

BELLEVILLE -- Mrs. Doris J. Roe, prominent Belleville resident, educator and former teacher, Monday announced her candidacy for membership on the Van Buren Township's Board of Education.

Nominating petitions in her behalf were filed with Robert A. Hay, secretary of the School Board on Monday deadline for the filing of such petitions.

At deadline time 4 p.m. Monday, only three have filed nominating petitions for two four-year school board terms that are expiring this June.

Others seeking the posts are incumbents Manley J. Baldwin,

42, of 12044 Hyznar, who was first appointed to the School Board to fill a vacancy by the resignation of Arthur W. Hill. He ran last year for the last year of Hill's unexpired term.

The other is Dr. Richard R. Muse, OD, 42, of 14350 Louisa Drive, who is completing his first four-year term.

Mrs. Roe, in the teaching profession and related fields for some 30 years said in announcing her candidacy:

"I am young in spirit and I think that I can be helpful. I think that every child in school should have a woman advocate (See MRS. ROE page 2)

Millage Rejection Starts Resurvey

Cut Backs Will Be Considered And Approved if Necessary

By HENRY CANTIN
ANP Staff Writer

BELLEVILLE -- A complete and minute reassessment of Van Buren School District's current financial status was ordered by the Van Buren Township Board of Education at its Monday night's meeting.

Budget study sessions on the school system's financial position to determine as actually as possible, based on the latest information and developments, are to start next week.

The School Board, disappointed by the voters' overwhelming defeat of its proposed millage increase request of \$5.50 mills May 6, is now confronted with the task of ordering "cutbacks" in school services and programs to stay within a planned "reduced" budget of some \$550,000 for the new school year if the system is to operate without deficit spending.

and may stand, a reappraisal is now necessary.

School officials stated that there will be detailed account of any possible cutbacks ordered by the school board given to the public.

"We are not going to cut anything if we don't have to," Wetherell said.

The Van Buren Education Association negotiators have requested a meeting with the School Board on the school budget. A session was tentatively set for May 23.

(See BOARD page 2)

City OK's Paving Projects

BELLEVILLE -- Petitions requesting street and sidewalk paving in Huron Park Subdivision No. 1 and No. 2 were approved by Belleville City Council.

The petitions presented to council by Robert A. Smrcka of 172 Potter Drive and Ernie Patke of 684 Greylock contained 151 signatures.

Of this total, 123 were for the paving program and 28 residents were against it. The 123 residents represent approximately 80 per cent of the subdivisions' residents in favor, it was reported.

Mayor Royce E. Smith told residents that where sidewalks were in good condition, residents would not be charged even when such sidewalks are included in the paving program.

He estimated the cost to be in the area of \$25 per front foot for a street of 32 feet, or \$50 per running foot of the street to be split between the residents on each side of the street.

A 32-foot street would permit parking on both sides and traffic each way.

City Council is studying the paving of other streets in the area with the possibility of including them when presenting a contract for bidding.

(See REJECT page 2)

Voters Reject Apartments

By 66 Votes

BELLEVILLE -- A large multiple dwelling complex proposed for Van Buren Township was turned down by township voters in last Tuesday's Special Referendum Election.

The project -- Lakeland Apartments, was rejected by a vote of 766 against to 700 for the apartment complex.

The total vote cast was 1,466 out of a eligible vote registration of 3,904.

Approximately 35 per cent of the total eligible vote cast ballots much to the disappointment of township officials and opponents of the project.

THE REFERENDUM VOTE

was held when area residents, who objected to the construction of apartments at McMullan Point, the proposed site, obtained about 800 signatures to a referendum petition. The "No" vote total was nearly 100 less.

These residents and the Van Buren Township Civic Association contested a rezoning approval of 147 acres of land involved from single to multiple dwelling by the Township Board which previously was approved by the Township Planning Commission, Wayne County Planning Commission with slight modifications, and

the Wayne County Economic Development Committee.

The apartment complex consisted of 2,000 dwelling units to be built over a five to 10 year period, tennis courts, swimming pool, nine-hole golf course and club houses on land fronting Belleville Lake and generally bounded by I-94 Expressway South Service Drive, Denton and Beckley Roads and the north shore of Belleville Lake.

The Developer of the apartment complex, Frank Volk, Sr., announced that the election results has not deterred his plans

Graduates

ROMULUS -- Marine Private First Class William R. Brown, son of Mr. and Mrs. Cordell Brown of 10315 Sterling street, was graduated from the Combined Action School at Danang, Vietnam.

He received instruction in the language, customs and religions of the Vietnamese. The school assigns graduates to Combined Action Platoons throughout the northernmost provinces of South Vietnam.

YOU CAN HELP -- Charles Price, 12, of Belleville, a victim of Muscular Dystrophy, joins Mayor Royce E. Smith in proclaiming the month of May 15 through June 15 as Muscular Dystrophy Month in Belleville. Mayor Smith issued a plea for cooperation of residents in the 1968 Muscular Dystrophy campaign for funds to support an all-out research attack against the crippling, muscle-wasting disease.

AN APPEAL

We would like to make a wish come true. Charles Price, "Charlie" to all his friends, is a twelve-year-old victim of muscular dystrophy. He lives at 130 South Edgemont where he is confined constantly to a wheelchair. Fortunately, he is able to receive special education at the Rackham School in Ypsilanti. Although Charlie is well aware of his limitations, he has expressed for several years the hope of going to "Disneyland."

That is our project -- to send Charlie to Disneyland. Because of the progression of his disease, we would like to send him and his parents, Mr. and Mrs. Cletus Price, to California yet this spring or early summer. We have spoken to Mayor Royce E. Smith and Councilman Donald Walters and they are both lending their support.

Will you help us grant this wish? We would appreciate any contribution you might be able to make in Charlie's behalf.

Finishes Training

NEW BOSTON -- Airman Janice G. Frazier, daughter of Mr. and Mrs. J.L. Frazier of 22041 Bell Road, has completed basic training at Lackland AFB, Tex.

She has been assigned to the Air Force Technical Training Center at Sheppard AFB, Tex., for specialized schooling as a medical services specialist. Airman Frazier is a 1967 graduate of Huron High School.

BOARD REJECT

(continued from page 1)

When the estimates were made, township valuation and state aid was not officially determined. Now these reports are available.

It was reported that even with an increase in state school aid (specific amount depends on school population) and a possible additional revenue increase from increased valuations in the township (higher the valuation the less state school aid), Van Buren School District is still in need of a millage boost if current programs and increasing costs are to be met.

The School Board took no action on the possibility of another millage election.

Information that some voters who supported the millage increase proposal wanted to circulate petitions calling for another election reached the School Board Monday night but it brought no official action.

Board members felt that the electorate had rendered its decision.

If the vote had been a close one, some Board members felt that another try would warrant consideration.

MRS. ROE

(continued from page 1)

on the School Board. My whole life has been spent in their behalf, in teaching and counseling and I would like to continue it.

She was born in Iron Mountain, Michigan, located in the upper peninsula. She is a graduate of Cleary College (1921). She received her Bachelor of Arts Degree from Eastern Michigan University and her Master of Arts Degree from the University of Michigan. This was followed with post master graduate work at Columbia University, New York.

Mrs. Roe was a school teacher at Charlevoix prior to her arrival in Belleville in 1935. She taught Commerce for four years, at Belleville High School she taught English and Speech.

In 1967, Mrs. Roe was selected as the Woman of the Year, by the Business and Professional Womens Club of Belleville.

She resides at 276 East Huron River Drive and is the mother of two married daughters: Mrs. William Kasler of Niles, Michigan; and Mrs. Helen Stokes of Belleville. Her husband, Cleveland, passed away two years ago.

The Buddy Poppy which will be offered to you on the streets soon is sold by a volunteer. Proceeds will go to the care and welfare of the needy veteran, his widow and orphans.

(continued from page 1)

to develop the 147 acres of land. He is planning another rezoning petition with "modifications," it was stated. Because of the close vote.

James L. Borst, president of the Van Buren Civic Association that sponsored the referendum petition campaign, said that: "We were glad to have the opportunity to take the issue to the people so they could be heard."

Louis A. Toth, township supervisor, said that he was unhappy with the vote results and added:

"What bugs me is the 25 percent of the people are doing the thinking of some 7,500 (registered voters). When people are led by the minority vote they better start to wake up. Something as crucial as the school millage and a proposed complex that will benefit the township in tax revenue and its future growth, voters to get to the polls.

Precinct vote total as are as follows:

Precinct	Yes	No
Precinct 1	207	306
Precinct 2	142	90
Precinct 3	194	89
Precinct 4	157	281

Jaycees

Announce

Teen Rodeo

ROMULUS -- The Romulus Jaycees' Teen-age Rodeo will be held on Saturday, May 25 from 10 a.m. to 12 Noon at the Romulus Senior High School parking lot, Ronald Bird, chairman, announced.

Students, boy and girl, who are licensed to drive and who have not turned 19 before Aug. 1, 1968 are eligible to compete.

Prizes will be large trophies for the boy and girl winners and smaller trophies will be presented to others.

Local winner will participate in the State Contest to be held on Saturday, June 8, at 8 a.m. at the Ford Motor Company's Central Office Building, Dearborn.

(continued from page 1)

"THEY CHOSE deficits and higher taxes unless specific and direct action is taken to overcome the decision and provide needed base revenues.

"If this is not done, every resident in the township will live to regret the fact that this group ignored its own best interests, as well as the best interests of the whole township, to achieve a political victory."

The developer said he had endeavored throughout to present truths through facts supported by a growing record of experience with apartments nationally and in the Detroit area. Because there are no bad facts about such luxury apartment developments at Lakeland Park, opponents were forced to rely on distortions and outright untruths, he said.

These reached a peak in the final days before election with muddled efforts to confuse the voters with totally unrelated information and deliberate untruths, according to Volk.

AMONG THE worst of these was an implication that apartments cause taxes to rise.

"This kind of statement is an insult to my intelligence and that of the intelligent voter. Ask any school administrator, any responsible public official or any land economist or planner and you will find apartments are just the opposite -

a defense against tax increases. "Taxes always increase and they are bound to do so in low-tax Van Buren township as new home owners demand the kind of services available elsewhere.

"These increases will not happen BECAUSE of apartments, but IN SPITE of such tax-lucrative installations."

"Here, as elsewhere, taxes

will increase FASTER unless something is done to improve tax yields from types of development known for paying more than their own costs to the community."

Volk said that his architects, Volk & London Inc., of Southfield, already have started revising the original plans in preparation for a new presentation to township officials.

Romulus Junior High Holds Spring Concert

ROMULUS -- The Romulus Junior High School Bands and Orchestra will present their Spring Concert tonight (Wednesday, May 15), in the gymnasium of the school on Olive Street. The program will begin at 7:30 p.m. and admission is complimentary.

The orchestra will open the concert by featuring an excerpt from Handel's Water Music Suite, "Bourree". The technically taxing "Allegro" by Plocco and a programmatic selection "El Tanguillo" by Jurey are other pieces of note which the orchestra will perform.

The Seventh Grade band will present the "Fleur-De-Lis" overture by Olivadotti and the difficult "Symphony in D Minor" by Cesar Frank. The Junior High School Band, consisting of qualified seventh graders and eighth graders, will close

the program with an emphasis on Russian music.

FEATURED WILL be the "Russian Choral and Overture" by Issac, "Kije's Wedding" by Prokofiev and the "Great Gate of Kiev" by Musorgsky. Band Director Richard Kruse, who toured the Soviet Union with the University of Michigan Symphonic Band in 1961, will speak briefly about the trip between selections.

Parents, friends of the band, and interested citizens of Romulus are urged to attend the program.

Director Kruse reports that all of the students have worked very hard this year and have made excellent progress. He also notes that he is expecting an outstanding performance at the concert.

TACOM Sets Open House For Armed Forces Day

Tanks crushing cars, free snapshots of youngsters "driving" jeeps, souvenir medallions, and a dozen other attractions will highlight Armed Forces Day Open House at the U. S. Army Tank-Automotive Command (TACOM) in Warren, on Saturday, May 18.

Major General Shelton E. Latta, Commanding General of TACOM, has invited all Metropolitan Detroit residents to visit TACOM, at Eleven Mile and Mound Roads in Warren, and see some of the Army's newest vehicles and finest laboratories. TACOM will open its gates to visitors at 9 a.m. on Saturday, May 18, and activities will be continuous until 4:30 p.m. Visitors will be permitted to bring their own cameras to take photographs.

HIGHLIGHT OF the program will be a "Mobility Rodeo" with the Army's latest armored vehicles and trucks at 2 p.m.

Assigned

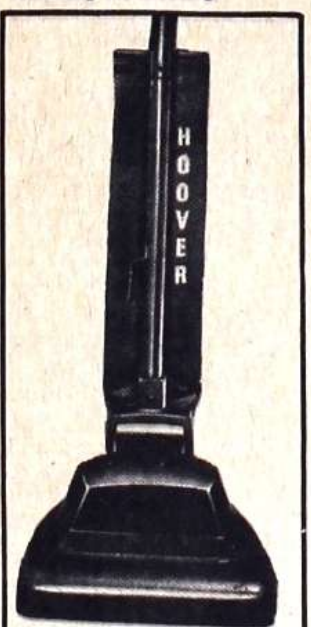

BELLEVILLE -- Army Private First Class Jack B. Caldwell, 20, son of Mrs. Joyce V. Hottel, 44375 Harmony lane, was assigned as an armored scout with the 4th Infantry Division near Pleiku, Vietnam.

Democrats To Elect New Slate

ROMULUS -- Romulus Democrat Club President, Terry L. Trout, announced Monday, that the club's meeting tomorrow (May 16) will be an important one. Besides the regular business meeting, there will be the annual election of officers that will comprise the executive board for 1968-69.

Trout urges all members to attend and personally contact any friend who may not have received a notice of the meeting. Besides the election, Romulus Supervisor Edmund Blizek is scheduled to be the guest speaker of the evening.

Trout has introduced the new feature of inviting a different member of the township board each month to speak on a topic of their own choosing and interest in relation to the welfare of the whole community. A lively question and answer period follows that brings many queries from club members. Refreshments will be served following the meeting.

W.L. GATES
32449 Michigan Ave
In Wayne

An off-beat feature will be encounters between "junker" cars and an M48 tank. Over past years, cars have come out the loser in every such bout. The souvenir medallions, commemorating TACOM and the new M561 Gama Goat, will be presented to visitors on a first-come, first-served basis as long as they last.

Another feature will be a mockup of the Main Battle Tank, now being developed jointly by the United States and Federal Republic of Germany.

There will be demonstrations of Army vehicles swimming the 15-foot deep fording pit, at 10:30 a.m., 12:15 p.m. and 3:15 p.m. In the laboratories there will be a slot car track on which any visitor can have his slot car calibrated for speed. There also will be slot cars and other vehicles available for "drag racing" on a special race track. Winners will be given certificates.

Continuous movies, including cartoons and Army films, will be shown in the Auditorium and the Cafeteria will be open for those who wish snacks or full meals.

PROCLAMATION

Muscular Dystrophy Month
May 15 thru June 15, 1968

WISDOM Tragedy has been wrought in the lives of many of our citizens through the ravages of a mysterious and dreaded disease - Muscular Dystrophy. This disease strikes without warning and strikes without mercy. It is a cruel and untimely death, and it is a tragedy that we must all face. WHEREAS These victims derive comfort and hope from M.D.A., a comprehensive program of patient care and research, and WHEREAS The only hope for defeating this dreaded disease, lies in the extensive medical research program being conducted now and funded by the contributions made to the dedicated volunteers as they conduct the annual house-to-house campaign known as DYSTROPHY'S MARCH AGAINST TIME.

NOW THEREFORE I, Supervisor Edmund Blizek, Supervisor of Romulus, do hereby proclaim May 15 thru June 15, 1968 to be MUSCULAR DYSTROPHY MONTH in Romulus and urge each citizen, as he is able to join with Muscular Dystrophy Associations of America, Inc., in the fight to find the cause and cure of this relentless crippling, hoping all the while that we may not be too late to spare many who have already been afflicted.

UR Grant Approved for Romulus

Congressman William D. Ford (D) 15th District this week announced approval of four Federal grants totaling \$462,882 for communities in the 15th District.

The largest grant - \$372,802 - was approved by the Department of Housing and Urban Development for Romulus Township's 171-acre Wayne-Beverly Renewal Project Number 1.

The Wayne-Beverly area is predominantly a residential sector in which 157 of the 167 structures have been rated as structurally deficient.

Congressman Ford said that the project area is bounded,

generally, by Van Born road on the north, Howe on the east, Beverly on the south, and Chamberlain on the west.

The \$372,802 represents an advance for survey and planning. Preliminary estimates indicate that the project will require a future grant of \$2,732,000. Congressman Ford said that this amount has been reserved in anticipation of a future loan-and-grant contract.

ANOTHER \$51,845 has been set aside for the cost of relocating the 137 families, 19 individuals, and three businesses which may have to be moved from the project area.

Ford said that the Department of Housing and Urban Development has also approved an Urban Planning Assistance grant of \$12,654 for Sumpter Township. The grant will cover two-thirds of the cost of planning for future growth and development. The grant, supplemented by \$6,328 in local funds, will finance planning activities for 12 months.

A \$45,926 grant for Operation Head Start has been approved by the Office of Economic Opportunity for Wayne County, exclusive of Detroit. The Head Start program is designed to give pre-school training to chil-

dren of underprivileged families.

Another grant of \$31,500 was approved for the Huron-Clinton Metropolitan Authority, under the Open-Space Land Program, to help purchase and develop a 14.69-acre park in Huron Township.

The area will become part of a proposed regional park and recreation area to be called Oakwoods Metropolitan Park.

Council 23 Elects Slate Of Officers

ROMULUS -- Local 64A of Council No. 28 of the International Union of American Federation of State, County and Municipal Employees, elected officers last Friday night at Romulus Junior High School. The local represents municipal employees of Romulus Township. Elected President of the Local was James Walker. Others named were:

Mrs. Rita McLenon, secretary; Miss Linda Schallio, treasurer; Mrs. Betty Martin, steward for salaried employees; Jack Cant, steward for inspectors; George Coughlin, steward for DPW employees; and Mrs. Mary Carter, trustee.

"PLEASE GIVE TO CONQUER" is the plea of Muscular Dystrophy Associations of America's officials during Muscular Dystrophy Month, May 15 through June 15. Miss Elvera A. Fischer of 30880 Eureka Road, Romulus' volunteer chairman, displays campaign poster to Edmund Blizek, supervisor, who urged Romulus residents to cooperate in the campaign when proclaiming Muscular Dystrophy Month.

IN ROMULUS

Muscular Dystrophy Month is Proclaimed

ROMULUS -- Observance of Muscular Dystrophy Month is underway throughout Romulus. Township Supervisor Edmund Blizek issued a proclamation calling upon the people of Romulus to support the 1968 March appeal by Muscular Dystrophy Associations of America, Inc.

The annual drive, which begins May 15 and extends through June 15, seeks funds to support an all-out research attack against the crippling, muscle-wasting disease and to provide clinic and patient services.

Some 250,000 Americans are victims of Muscular Dystrophy, most of them children, in whom it is nearly always fatal. Neither the cause of the disease nor an effective treatment for it has yet been found.

Romulus' Volunteer Chairman for 1968 is Miss Elvera A. Fischer of 30880 Eureka Road. Those wishing to help in this worthwhile cause may volunteer by calling "March Against Time" headquarters at 961-5400.

Cleary Graduates Are in Demand

Because Cleary College specializes in training you for a successful management, accounting or secretarial career, more jobs are available than Cleary can supply graduates to fill!

Cleary College offers one, two and four year programs leading to a diploma, associate degree or bachelor's degree. At Cleary you learn more in order that you may earn more upon graduation. And the prestige of a specialized Cleary business education assures you of a more rewarding future.

Attention June Graduates

Summer Term Starts June 24, 1968
Fall Term Starts September 23, 1968

It's not too soon to enroll for summer or fall of 1968. If you can begin classes in the summer you can get a head start on your future career. Because you graduate one term ahead of the larger June classes, you can enter the business world with less competition and have a better choice of jobs. Reserve your courses now at hours to suit your schedule and requirements.

Day and Evening Classes—8 a.m. through 3 p.m. daily; evening class hours available Monday through Friday for one, two or three nights a week.

SEND COUPON TODAY

Or phone the Cleary College Admission Office, HU 3-4400. Get the specialized education you need for business success.

AN EDITORIAL:

School's Sports Facilities are Aids To Physical Fitness

Vice President Humphrey recently cited facts and figures which should send every American running to the nearest sports club or YMCA, or at least jolt him out of the easy chair in front of his television set.

Speaking to the new President's Council on Physical Fitness and Sports, of which he is Chairman, Mr. Humphrey reported that:

- One of every two American adults is overweight, according to estimates by the American Medical Association;
- Fifty percent of America's college students - young men and women in their late teens or early twenties - fail to meet accepted physical fitness standards; and
- The average American youngster spends 10 hours watching TV for every hour he spends in supervised sports or physical activity.

AS A WAY of getting Americans of all ages to be more active and fit, the Vice President has suggested that we convert our schools into neighborhood recreation centers. Specifically, he is asking all communities to keep open their school sports facilities - the gymnasiums, swimming pools, tennis courts, tracks, and playing fields - this summer.

To us, Mr. Humphrey's request makes excellent sense. America has nearly \$100 billion invested in its schools, yet most communities operate them at capacity only eight hours a day, 180 days a year.

Communities which already employ the approach recommended by the Vice President report that it costs only a few dollars per capita to cover the cost of staff, equipment, maintenance and other operating expenses.

That's cheap compared to the cost of duplicating the trained leadership and extensive facilities which our schools employ only part-time.

Day of Remembrance

POPPY DAY 1968 -- DAY OF REMEMBRANCE
The Significance of Poppy Day

For more than 45 years red poppies have been worn proudly by many Americans around Memorial Day. As this date draws near again I would like to tell you about this flower's significance and the purpose of Poppy Day.

We in this country wear the poppy once a year to signify the feeling of reverence in our hearts for the servicemen who died for America during two World Wars, the Korean War and the Vietnam Conflict.

The poppy is their flower. It grew on the battlefields of Europe where so many men fought and died. This flower grew along the battle lines and among the graves of American dead; because of this, it has become the symbol of their sacrifice.

But in addition to serving as a memorial to the war dead, the poppy helps lighten the burden carried by the men who returned disabled in mind and body.

MAKING POPPIES gives employment to veterans who otherwise would not be able to earn support for themselves and their families. What form of aid could be more effective than helping veterans aid themselves with productive work? Poppy Day provides an annual opportunity for the American public to offer encouragement and support to these men.

As the special significance of Poppy Day has become widely known, more and more Americans wear these small red flowers proudly.

The poppy has become recognized as an appropriate way in which our war dead can be honored while the disabled are rehabilitated. The need for the relief work which poppy funds make possible has grown each year. Our government has done much for disabled veterans and families of deceased servicemen, but much also remains to be done.

FUNDS FROM Poppy Day enable The American Legion and American Legion Auxiliary to meet this need. Dimes and dollars contributed during Poppy Day go directly into the rehabilitation and child welfare programs of these organizations. Not one cent is retained by either of these service organizations which administer the program on a voluntary basis.

Families aided by Poppy Day can be found in every community. Veterans who rely upon poppy making for earning money to support their families are to be found in virtually every state in the nation. Poppy benefits are used to strengthen lives blighted by wartime injury and suffering.

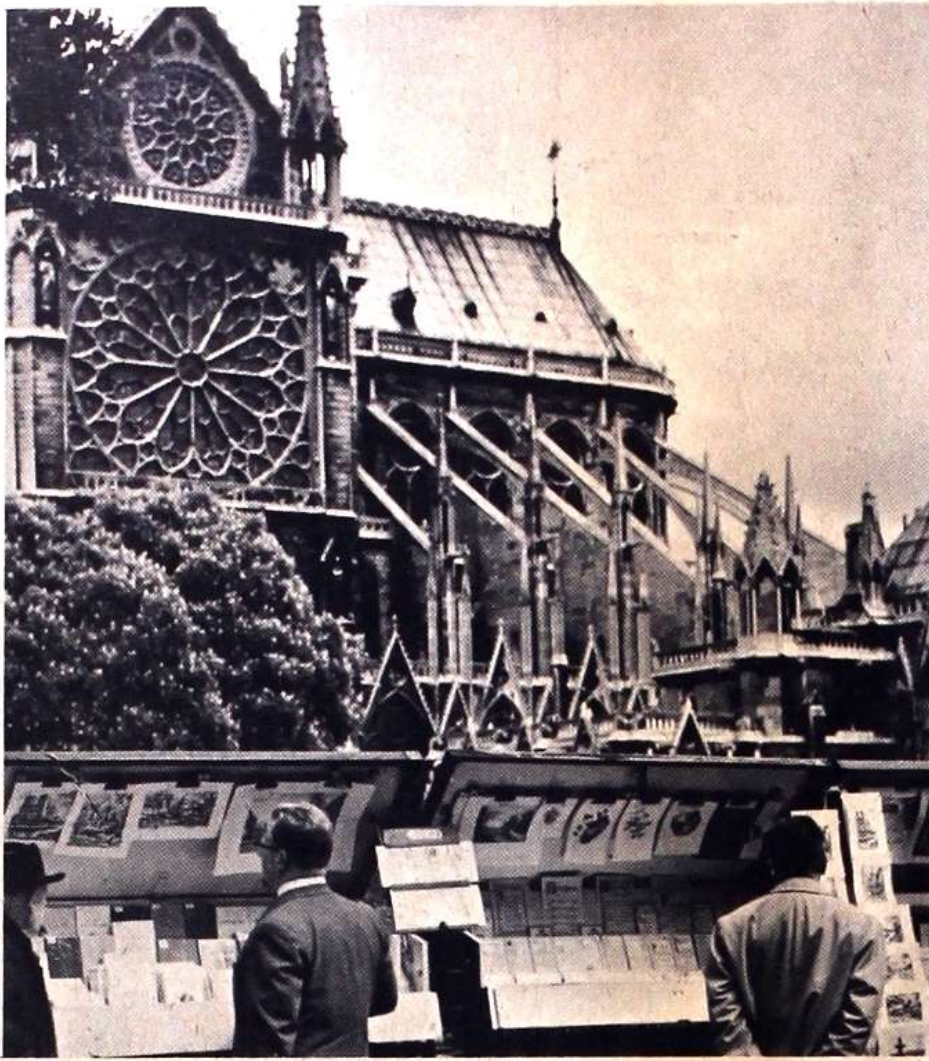

When you are asked to wear a Poppy on Thursday, May 23, remember the veteran in a hospital or workshop who made this memorial flower.

Our Poppy Day purpose has always been to honor the war dead by assisting the living. This is the true significance of Poppy Day.

(EDITOR'S NOTE: The above article was submitted by Mrs. William Deerdorf, 26265 Leontine, New Boston in the observance, May 23 of Poppy Day in New Boston by American Legion and Auxiliary Post.)

NO PARIS VISIT -- would be complete to any traveler unless it included a tour of the "Left Bank" of the River Seine. The left bank winds through the world famous French city is known world over for the books stalls and shops located there. Here, as no where in the world, can be found all types of works of art, paintings and rare books, at real bargain prices. The tourist mecca is located in the shadows of the most famous of all churches, Notre Dame.

New Superstitions are Still Popping Up

Old superstitions, unlike old soldiers, do not fade away. They are replaced by new superstitions and new misconceptions, says Today's Health Guide, the American Medical Association's manual of health information for the American family.

This is particularly true of superstitions and misconceptions about health. New scientific advances and discoveries breed a whole new crop of health superstitions.

Some of the new ones cataloged in the health book are -- Today, we have the mistaken idea that necessary and harmless chemicals used in processing food-stuffs may cause mysterious diseases like cancer. (They won't.)

We see people afraid to cook with aluminum utensils for fear of poisoning the food. (They will not.)

We observe people who refuse to wear glasses, and others who shun much-needed hearing aids. (Both are completely accepted by society today.)

People oppose fluoridation of public water supplies because the same chemical has also been used for poisoning rats, overlooking the fact that the whole difference lies in the matter of dosage. (Fluoridated water is completely safe.)

Many people blame climatic changes on the atomic bomb; past generations attributed such changes to artillery fire, to the use of radio and television. (The bomb has not changed climate.)

Assistance in establishing disability claims or gaining other veterans benefits is available without charge to any veteran through a nationwide system of veterans service officers maintained by the Veterans of Foreign Wars. A portion of the cost is contributed by the public through their purchase of V.F.W. Buddy Poppies.

Countless mothers live in fear for their children's lives because a heart murmur had been reported. Although murmurs should be checked by a physician most heart murmurs are harmless.

There is still active opposition to the use of immunizing procedures, such as vaccination and immunization, because of superstitious dread of introducing a poison into the system. (The vaccines now in general use are safe.)

There is a modern cult of naturalism which holds that only "natural foods" are wholesome because foods grown with the aid of chemical fertilizers are inadequate. (This isn't true.)

Many harbor prejudices against canned or frozen or otherwise processed foods, and even advocate eating raw food exclusively. (Processing does not affect foods substantially, nor does proper cooking.)

Poetry Corner

Dandelions

A sea of dandelions on my lawn
I see as I awake at early dawn;
A gentle breeze is cooling the spring air,
A-swaying trees with bird-nests in their hair.

All dancing in the gently moving breeze,
Dandelions always make you sneeze,
If you stand high on tip-toes,
And hold the yellow flowers to your nose.

Later, they are still a wondrous sight,
When they are decked in shimmering white.
Then you have to make a wish and blow,
And white fluff goes a-flying like the snow.

You'll get your wish; you know it's so --
The dandelions tell you so.

Happy Days In May

When fair are the skies
And soft is the breeze,
I steal a few hours
To do as I please.

I hurry away
To a woodland spot,
A wandering stream
Where fish can be caught.

Bright flowers to see,
The birds and the bees:
We thank you dear Lord
For May days like these.

Vacationer's Haven Once King's Domain Michigan Island Now

A Mormon king, a Russian count and an Emerald Isle.
It sounds like the plot of an historical novel and indeed, thousands of words have been written about "King" James Jesse Strang, Count Feodora Protar and Beaver Island.

Anglicized from the French Ile du Castor, Michigan's Beaver Island was so named because on old maps it looked like a stretched out beaver skin.

The island is 32 miles offshore from Charlevoix in northeastern Lake Michigan. It's 14 miles long, six wide and is the largest island in Lake Michigan as well as being the main island in a group of 13.

BEAVER ISLAND originally was a haven for wildlife and a target for Indian hunting parties until Strang led a small band of Mormon settlers to the island in 1847.

Strang splintered from the main Mormon group after losing a fight with Brigham Young for the sect's leadership. Young and the main body headed west to Utah and the Strangites journeyed to Beaver Island.

Strang proclaimed himself "king" and the island's only city, St. James, was named after the monarch.

Strang's flock grew and so did the power of the only monarchy in the continental United States. Despite the small size of the island, its population was greater than that of Emmet County on the mainland and Strang was able to control the county government.

BEAVER ISLAND has 75 miles of improved highway, numerous bathing beaches, inland lakes and modern accommodations. There's a nine hole golf course, good fishing and hunting in season.

The island is a delight for photographers with weathered split rail fences, beached boats and the Beaver Head lighthouse at the south tip of the island, third oldest light house on the Great Lakes.

STRANG'S AUTOCRATIC rule and religious tenets didn't sit well with the mainlanders, mainly Irish settlers and fishermen, but it was two members of Strang's own colony who shot and killed him in 1856.

The colony disintegrated and the Irish gradually began taking over the island. They burned most of the Strangites' buildings.

The Van Buren Civic Association's motto is "UNITE FOR GOOD GOVERNMENT" and good government is what we are striving to gain.

The Van Buren Civic Association,
James L. Borst,
Chairman

TO THE EDITOR:
The members of the Van Buren Township Civic Association want to thank all those who voted in the recent referendum vote. It has shown us that the biggest majority of registered home owners want a voice in their government. Their interest is a good sign that we, the people, must take part in all levels of government, be it township, county, state or national, so we can have a good, healthy, honest administration.

The least all of us can do is to participate, not only in voting, but by attending your township meetings often which meet every second and fourth Tuesday of the month.

Show your willingness to learn and understand your local government, to get to know the officials you elected; let them know what you want, ask them questions, give them your ideas, let them get to know you, for by better understanding comes unity.

McCONEGHY SUBMITS ANSWERS

Romulus Schools' Proposed Millage Brings Inquiries

ROMULUS -- The Romulus Community Schools' Board of Education is proposing a graduated millage Proposition to School District voters in the June 10 School Election.

The school system is again asking voter approval for additional millage to operate its schools and maintain present services and programs or face "cutbacks in these services and programs."

The Millage Proposition seeks a three (3) mill levy for one year (only 1968) and five

(5) mill levy for a five year period (1969-72).

Q. I've heard the equalized valuation of Romulus Township has taken another big jump this year. If this is true, do you need those three mills?

To various questions submitted by township residents, Robert L. McConeghy, School Superintendent, has submitted the following answers:

A. Yes. The 1968 state equalized valuation of the dis-

trict has not been released at this date and although the valuation does show an increase it must be remembered that "the higher the valuation the less state aid is returned to local districts." Under the present state aid formula each million dollar increase in valuation means the district will receive \$5,860 less in state aid.

Q. What is the basis for the financial problem facing the Romulus Schools? How has it occurred?

A. The financial problem facing the Romulus Schools is not unique with Romulus. It is a common problem facing all Michigan schools at the present time. The big task is to find sufficient operating funds to keep pace with rising costs. The legislature has passed an increased state aid bill, which will help, but many districts are still short of operating monies to continue present programs and staff. The only avenue open is to request additional millage from local taxpayers. Many school districts

in Wayne County have held elections this year and several more will be held on June 10th, the same date that Romulus is making its request.

Q. What millage will the Romulus voter be asked to approve on June 10th?

A. The Board of Education is asking that three (3) mills be authorized for the 1968 tax year and 5 mills in 1969-1970-1971 and 1972.

Q. Why did the Board

graduate its request like that?

A. The Board agreed that the minimum amount of millage needed for the 1968-69 school year would be three (3) mills, however, in 1969 when the new classrooms are in operation, 2 additional mills will be required for operating expenses to hire new teachers, purchase supplies, etc.

Q. I've talked to a number of people and we can't understand why you keep coming back for millage each year. Why don't you

project your needs for a longer period of time?

A. Financial need prompts the request. The Board had no crystal ball in assessing what the needs would be during these times of economic instability. It was felt three years ago that the district was finally on its feet financially. The financial problems besetting it now were not present then.

Q. The Board has picked a poor time to ask for more millage. What chance do you think you'll have for success when taxes over

which we have no control keep skyrocketing?

A. This is a question that each voter will have to decide for himself. The Board felt it had no alternative than to let the voter decide if the present program should continue. School millage is the only tax today on which a voter can vote yes or no. The voters in a school district are directly involved in financing the educational program for their children and grandchildren. Quality education in 1968 requires more diversified programs, staff, and materials than in the past.

PTA Sets Candidate Session

ROMULUS -- "Meet the School Board Candidate Night" under the sponsorship of the Romulus PTA Council will be held at the Cory Elementary School, May 28 at 7:30 p.m.

Candidates will be asked to make an open statement of their qualifications and answer written questions.

Robert L. McConeghy, school superintendent, will be present to discuss proposed school millage. Other areas of discussion will include utilization of facilities, programs, teacher personnel and parochial school aid.

Airplanes are now being used to scare away flocks of birds that damage crops.

CAN DANCE -- Students of Romulus Junior High on May 1, had a Can Dance at which everyone submitted a can of food as admission. Each can gave the donor a ticket for a free coke or a bag of potato chips. The cans were donated to the Office of Economic Opportunity. From left are Kathy Moore, Pat Prush, Vanessa Block, Cheryl Ward, and Janice LeBlanc, chairman, who presented more than 400 cans to Mrs. P. Henderson supervisor of the O.E.O.

Poppy Chairman Appointed

BELLEVILLE -- The appointment of Harley Sales as chairman of the V.F.W.'s annual Buddy Poppy sale was announced Monday by Commander Frank Latoski of Veterans of Foreign Wars Post No. 4434. Announcement was also made of the appointment of Lucille Byrne as Auxiliary Chairman. Buddy Poppies will be sold on the street of Belleville, on May 23, 24, 25.

Local V.F.W. and Auxiliary officers expressed a desire to make this year's sale of Buddy Poppies the biggest in modern

times. They point out that today, with boys fighting in Vietnam, we are reminded of our obligation to help those who gave, and are today giving, so much on our Nation's battlefields.

They also point out that the continued high cost of living is placing an increased burden on our disabled and needy veterans and on those who are attempting to serve them. Those who buy and wear Buddy Poppies will make a substantial contribution to this worthy cause.

"It is hoped," said these V.F.W. leaders, "that our citizens will contribute generously, and help us remember hundreds of orphans in our Nation Home at Eaton Rapids, Michigan."

In Vietnam

BELLEVILLE -- Private First Class Jack Caldwell, son of Mrs. Joyce Caldwell Hottel of 44375 Harmony Lane, is now serving with the Tenth Armored Cavalry in the vicinity of Pleiku, South Vietnam, his mother reported.

MISS SELL

Parents Announce Engagement

Mr. and Mrs. Harold Sell, of 36181 Pennsylvania road, Romulus, announce the engagement of their daughter, Karen Kay, to Bruce Arden Siebarth, son of Mr. and Mrs. Lester Siebarth, of Monroe.

Miss Sell is a junior at Concordia Lutheran Teacher's College in River Forest, Illinois. She is a 1965 graduate of Huron High School and in 1967 graduated from Concordia Junior College, Ann Arbor.

Her fiancé, a 1965 graduate of Dundee High School, served for two years in the U. S. Army. He is currently employed by the Ford Motor Company at Ypsilanti.

A wedding in June of 1969 is planned.

He's Called Jeffrey

The Robert C. Millers, of 157 Chaney street, Belleville, are announcing the arrival of their second child, Jeffrey Christian, May 13 at St. Joseph Mercy Hospital, Ann Arbor. The young man, who weighed in at 7 lbs. - 11 ozs., has a big sister, Michele Ann, who's 11 1/2 months old.

Mrs. Miller is the former Kathleen Merecki, daughter of the Leonard Mereckis, of E. Huron River drive, Belleville. The paternal grandparents are the Glenn Millers, of Elwell road.

ANNUAL MEETING

The Annual Meeting of the Membership of Family and Neighborhood Services for Southern Wayne County will be held Monday, May 20, 1968 at 8:00 P.M. at 3042 First Street, Wyandotte.

The Purpose of this meeting is the election of Directors for the agency.

Eloise Whitten, President

BELLEVILLE BREVITIES

Kenn Mericle New President Of Nat'l. K-F Owners Club

By MRS. JOSEPH SPRING
OX 9-4021

Kenneth B. Mericle, of 47090 Denton road is the newly-elected president of the Michigan, Ohio and Canada "Seaway" division of the National Kaiser-Frazer Owners' Club of America and Europe with members located throughout the United States, Canada, France, Sweden, Turkey, Switzerland, and Puerto Rico.

Plans are being made for the 1968 national convention in Denver, Colorado, August 2-3-4.

Week-end guests of Mr. and Mrs. Mathew Quirk were their son, James, and his wife from Fenton.

Friends have received word that a former Liberty street resident, Mrs. Rose Anderson, now from Chelsea, has been a patient for several days at St. Joseph Hospital, Ann Arbor. Her room number is 419.

Mrs. Fritz Eberhardt, of Peck, and Mrs. Edward Helleg, of Uby, were overnight guests last week Monday of the former's brother and his wife, the Lewis Lesters, of East Huron River drive.

MISS MCATEE

Ruth McAtee To Head Rainbow

Ruth McAtee, daughter of Mr. and Mrs. Vinton D. McAtee, of 171 W. Columbia avenue, Belleville, will be installed as Worthy Advisor of Belleville Assembly #49 Order of the Rainbow for Girls. A public installation will be held Monday, May 20, at 7:30 p.m. in the Masonic Temple.

Mr. and Mrs. Earl Walters, of Aura, in Michigan's upper peninsula, were week-end guests of Mr. and Mrs. Clayton Saunders. On Sunday, the Lynn Saunders of St. Clair Shores were dinner guests.

Last Wednesday evening Mr. and Mrs. John Zuroff, of DeWitt road, were among those who attended the 20th annual honors convocation of Eastern Michigan University held at Pease Auditorium. Their daughter, Jacquelyn, was among those who received honors.

Walter Schultz, of Belleville road, has been a patient at Annapolis Hospital, Wayne, for the past 10 days.

Mrs. Lewis Lester was a guest last Wednesday of her sister, Mrs. A. L. Spencer, of Pontiac.

Mrs. Henry R. Deering and Mrs. Charles Jackson motored to Chelsea last Wednesday and visited the former's sister, Mrs. Addie Chilson, at the Methodist Home, the occasion being the latter's birthday.

Sunday dinner guests of Mrs. Orrin R. Post were the Kenneth Post family from Dearborn. Her grandson, Airman Bruce Post, who has been stationed at Memphis, Tenn., has been home on leave before being sent to San Diego, Calif. Miss Judy Strauss-borger, of Dearborn, was also a guest.

Mr. and Mrs. Robert Saunders, of Walled Lake, were Saturday evening dinner guests of his parents, the Clayton Saunders, of Liberty street.

Mrs. Ruth Carter, of Biggs street, has been a patient at Annapolis Hospital, Wayne, for several days this past week.

Last Tuesday evening Mr. and Mrs. Lewis Lester were birthday dinner guests of Ypsilanti friends, Mr. and Mrs. Louis J. Tickus.

The Electa Club of Belleville Chapter No. 73, O.E.S., was entertained at the Bedell street home of Mrs. Harold Clayton last Friday evening with Janet Helzerman and Cora Bradshaw co-hostesses. The 18 members present enjoyed an evening of games and refreshments.

Mr. and Mrs. Darryl H. Raymond Jr. entertained Sunday for dinner their parents, the senior Raymonds and Mr. and Mrs. Harold Campbell, of Ypsilanti. It was not only a Mother's Day celebration but also the birthday of Mrs. D. H. Raymond Sr.

Mrs. Joseph Spring was a week-end guest of the Herbert Spring family at Plymouth. Her younger grand-daughter, Kay, was recovering from a tonsillectomy performed on Friday at St. Joseph Hospital, Ann Arbor.

MRS. HERRMANN

Romulus Grad Joins E.M.U. Honor Society

Margie Hay Herrmann, of Romulus, was among students at Eastern Michigan University honored at the 20th Annual Honors Convocation Wednesday, May 8, at Pease Auditorium, Ypsilanti. Honor students are selected by point averages for the whole of a student's college career to date, including transfer credits. Mrs. Herrmann previously attended Michigan State University and the University of Michigan.

On May 4 Mrs. Herrmann was initiated into the Pi Chapter of Kappa Delta Pi, an Honorary Society in Education, at a banquet held at McKenny Union. To be eligible to membership in Kappa Delta Pi, a student's scholastic index must be in the upper quintile of his or her class.

Margie, her husband, Gerald, and infant son, Geoff, reside in married housing on campus where Mr. Herrmann is also a student. She is the daughter of Mr. and Mrs. F. W. Hay, of 14170 Huron River drive, Romulus.

Harrison PTA To Hold Fair

The Annual Harrison Elementary P.T.A. Fair will be held this Saturday, May 18, in the Multi-Purpose Room of the School on Harrison road. It will be in session from 12 noon to 6 p.m.

This year's fair has been dubbed "Peanuts and Friends" and will feature a wide variety of games, white elephant and handicraft booths, country store (can goods), cake walk, balloons and hats and jewelry.

Refreshments of hot dogs, sloppy joes, donuts, pop and coffee will be available at the kitchen.

As a special feature this year the P.T.A. will be selling a School Record Book which depicts scenes from kindergarten to 12th grade, for \$1.

Everyone is invited. Come and bring the entire family for an afternoon of fun.

IT'S A DATE

BELLEVILLE -- Public installation of officers for Belleville Assembly #49, Order of the Rainbow for Girls, will be held Monday, May 20, at 7:30 p.m. in the Masonic Temple, Main street.

WILLIS -- A ham and salad smorgasbord dinner will be held Thursday, May 23, from 5 p.m. until all are served at the Willis United Methodist Church. A free-will offering will be taken. Benefits will go to the Methodist Youth Camp Fund.

HURON -- The Pleasure Seekers Senior Citizens of Brownstown will hold their next meeting at Hand School Thursday, May 23, at 6 p.m. A pot-luck dinner will be followed by entertainment by the three Bonanni sisters of Belleville. All senior citizens are invited.

BELLEVILLE -- The Mothers' Club of St. Anthony's School will sponsor its Second Annual Spring Card Party Tuesday, May 28, at 8 p.m. Belleville merchants have donated a number of door prizes which will be awarded during the evening. A donation of \$1 includes refreshments and table prizes. The public is invited.

ROMULUS -- A Mother and Daughter Banquet will be held Friday, May 17, at 6:30 p.m. at the Calvary Baptist Church. There is no charge but a free-will offering will be taken. The Ladies Mission Group is sponsoring the event.

INSTALLATION BANQUET -- Taking over the reins of the Belleville Business and Professional Women's Club for the 1968-69 year will be the Club's newly-installed officers. Pictured at the annual May banquet are (left to right) Mrs. Elda Bohl, corresponding secretary; Mrs. Betty Savage, vice-president; Mrs. Helen White, president; Miss Bertha Rettig, recording secretary; and Mrs. Ruth Lindsay, treasurer.

Helen White Takes Gavel At Annual B. P.W. Banquet

The May meeting of the Belleville Business and Professional Women's Club was held at the L.O.O.F. Hall Monday evening, May 6. The meeting was directed by the incoming officers.

Toastmistress, Miss Vera Petraska, introduced James Sayre who showed the slides he had taken on a recent world tour to study agricultural needs. Mr. Sayre very humorously narrated the slides on India and Thailand.

Following the program, Mrs. Cora Horton, President, introduced Mrs. Beatrice Boldt who installed the incoming officers for 1968-69: President, Mrs. Helen White; Vice - President, Mrs. Betty Savage; Recording Secretary, Miss Bertha Rettig; Corresponding Secretary, Mrs. Elda Bohl; and Treasurer, Mrs. Ruth Lindsay.

The Women of the Moose, Belleville Chapter #1135 held their Membership Chapter Nite program Monday, May 13, at the Moose Home. Membership Chairman Johnny Ruth Summer-ville and her committee were in charge of the program and lunch.

The Academy of Friendship held a meeting at the home of Louise Steger Wednesday, May 8, to make plans for the Friendship Chapter nite to be held June 10 at the Moose Home, also to plan and discuss the invitations we have from other Chapters asking us to participate in their Friendship Chapter Nite programs. At the present time Belleville has been asked to do the Enrollment for Fairington, also to take part at Wayne and Ann Arbor. Our Pro-tem Friendship Chairman is working hard to make a success of the Friendship Chapter nite in June but she needs lots of help and co-operation, so let's all lend a hand and the work will be a lot lighter.

Monday, May 27, will be election night for the Belleville Chapter. Your candidates for office were announced at the May 13th meeting.

Looking forward to seeing a lot of co-workers at our meetings.

Gordonier Round-up

ROMULUS -- Kindergarten Round-Ups at the Gordonier Elementary School will be held this Friday at 9:30 a.m. Parents are urged to be at the school not later than 10 a.m., when group announcements will be made. They are also requested to be sure to have with them the proper documents for their children who may be attending kindergarten next year.

Children must be five years old on or before Dec. 1, 1968 in order to be eligible, for the 1968-69 school year.

The following will be available at the school for direction and assistance to parents: Mrs. Lucille Combs, Mrs. Suzanne Hering, Mrs. Delores Wells, principal will also be available. Any further inquiries can be directed to the School's P.T.A.

The following will be available at the school for direction and assistance to parents: Mrs. Lucille Combs, Mrs. Suzanne Hering, Mrs. Delores Wells, principal will also be available. Any further inquiries can be directed to the School's P.T.A.

School's Spring Fair has Crowd

ROMULUS -- "Hawaiian Luau" was the theme at a Spring Fair held at the Hayti Elementary School, located on Beverly road, Saturday, May 4, attracted a record attendance. Sponsored by the Hayti School P.T.A., the affair opened at 12 Noon and ended at 8 p.m. Mrs. Nan Meyer, chairman, reported, it was very "successful," she stated.

MISS TWITCHELL

MSU Co-ed Among 50 Honored

Beverly Twitchell, daughter of Mr. and Mrs. John Twitchell, of 6351 Burton, Romulus, has been named one of 50 outstanding senior women at Michigan State University.

She was tapped for the honor by President John A. Hannah Sunday evening. She was selected for service, leadership and contribution to the University.

Miss Twitchell has also been selected as a member of the '68 Club, a group of 68 graduating seniors who are selected for their outstanding contributions to MSU and who serve as a core group of alumni to work with the University's alumni association.

Miss Twitchell has been active in student government, student - faculty committees, and as the executive reporter for the campus newspaper. She will be graduated from MSU June 9.

In her four years at MSU, Miss Twitchell has been president of her residence hall, coordinator for the National Student Association, a member of student advisory committees in her department and college, has worked on Homecoming and Water Carnival committees, Senior Class Council, and with a faculty committee in proposing changes to the grading system.

A journalism major, she plans to work for one of the media or for the National Student Association in Washington, D. C.

Miss Twitchell was graduated as valedictorian and all-around senior girl of her class at Julius High School in 1964.

Son Born To Nyquists

Former Belleville residents, Mr. and Mrs. Donald Nyquist, of 11214 Dudley, Taylor, have a new son they'd like their friends to know about. David Donald, weighing 7 lbs., -10-1/2 ozs., was born May 7 at Seaway Hospital, Trenton. They also have a six-year-old daughter, Sharon, who welcomed the new baby home.

Mrs. Nyquist is the former Bonnie Belaire, daughter of Mr. and Mrs. Gordon Belaire, of Elwell road. The paternal grandparents, Mr. and Mrs. Phyllis Nyquist, recently of Belleville, now reside in Northbrook, Illinois.

All Around The Town...

WITH LEE

84 YEARS YOUNG

MRS. MABEL HARRIS, a long-time resident of the Belleville area, observed her 84th birthday recently and her family made it a memorable occasion by planning a dinner party in her honor. Taking their mother to the "Skipper's Table," in Plymouth, were her son and daughter-in-law, Harold and Gertrude Harris; and her daughters and their husbands, Larinda and Glen Ritter, Vivian and Lewis Ford, and Leona and David Faulkner; and the daughter with whom she lives, Golda Hook. The group returned to the Ford's Bedell street home for the birthday cake, ice cream, cards, and gifts which followed. A tape recording was also made to send to family members who are out of state.

Unable to be present for the celebration but flying in the week prior was Mrs. Harris' son, Rev. Darryl Harris, of Old Hickory, Tennessee, who'd been in Cleveland for a church meeting.

HOME IN TIME

MAKING IT HOME just in time to celebrate the above event, the Faulkners (Dave and Leona), drove in from Arizona where they'd spent the past six months and avoided the entire Michigan winter season.

They left Belleville the first of November and stopped in Waco, Texas for a three weeks visit with their son-in-law and daughter, Dr. and Mrs. Owen Lind (she's the former Winifred Faulkner). Traveling on to Arizona, (their house trailer in tow), they settled at Mesa for the winter near the home of their son and family, Rev. and Mrs. David Faulkner. From there they branched out on sightseeing tours to Tijuana, Mexico; San Diego, and a number of other interesting spots. They also paid a visit to the Rev. and Mrs. Darryl Harris in Old Hickory, Tennessee before returning home.

CAROL'S NINE

CAROL SMITH, who was nine years old May 8, had nine young ladies join her after school for a party marking the occasion. The daughter of the Bert Smiths, of Edison Lake road, the 3:30 'til 6:30 celebration included games with prizes for all and supper served in a blue and white streamered dining room. The color scheme was carried out in the table appointments and also in the birthday cake which was served with punch and ice cream bars.

Carol's party list included Laurie Hill, Lisa Pellachia, Cindy Hudge, and her sister, Susie;

as well as third grade friends from Haggerty School, Laura Hagerman, Connie Cook, Ina Pletz, Jennifer Hook, and Marcy Owen.

SURPRISE, SURPRISE

ON SATURDAY, May 4, friends and relatives gathered at 40219 Alden drive to spring a surprise baby shower on Sandra McCurdy. Sandi's mother, Mrs. Lois Basnaw, was to be co-hostess for the afternoon party but was taken ill and had to be hospitalized. So, Sandi's sister, Dianna McDaniel, took over the duties of hostess.

Traditional stork shower games were played by the 17 guests with prizes going to Barbara McCurdy, Dorothy Jones, Bettie Kittle, and Carol Bourque.

A buffet luncheon of ham and assorted salads was served from a table with a baby and umbrella centerpiece.

At the close of the party, the mother-to-be drew the lucky number 'two' which meant that Dorothy Jones had won the door prize.

The following day, Sandi was again honored at a shower given by Phyllis Barker, of South Lyon, for some 15 girls with whom she worked at the University of Michigan.

HERE 'N THERE

TRAVERSE CITY was the destination over the week-end for Chet and Mary Kosin and their two oldest daughters, Mary and Rita. Headquartering at the Park Place Motor Inn, the Kosins took part in the M.A.W.A. Annual Convention. Among others attending the meeting of the Michigan Automotive Wholesalers Association were former Bellevillites, the Robert Kanyons, now of Westland. The Kosins also paid a visit to the Interlochen Music Camp during their stay ... THE BONANNI SISTERS, Sharon, Diane, and Linda, were on the program for the Annual Mother-Daughter Banquet last Tuesday at St. Anthony's. The girls entertained the 200 attending with several accordion medleys ... LEONARD DAVIS, of Sumpter road, is in serious condition and a patient at Hubbard Hospital, in Bad Axe. Mr. Davis became ill while he and his wife were on a visit up north May 11. His room number is 207 ... MOTHER'S DAY at the Robert Hoeft's Wabash street home was an especially happy occasion for the 'lady of the house.' Following early morning mass with her husband, Bud, and children, Ron, Chris, Cathy, and Cindy, and a close friend of the family, Bryan Killinbeck of Romulus, the Hoeft kids took their mother out for breakfast at Howard Johnson's, in Ann Arbor. Mrs. H. (Odalee), who was presented with a corsage of pink carnations, also enjoyed the company of her parents, the Russell Van Buhlers, of Liberty street, who'd been invited to join them. In the afternoon the Hoefts traveled to Saline to see Bud's folks and in the evening still another happy surprise came from their son, Cpl. Robert Hoeft, who telephoned from Ft. Benning, Georgia where he is training at N.C.O.C. (Non-Commissioned Officer Candidate School) ... THE JOE LORIAS, the Art Hills, and the Bert Smiths drove to Alpena over the week-end for the Annual Kiwanis Bowling Tournament. The fellas bowled in doubles and singles events Saturday evening and on Sunday took part in team competition. Other Belleville Kiwanians attending were the Club's first vice-president, Ed Stelton; second vice-president Archie Gauthier; Kurt Domick, Clyde Batzer, Ed Hudge, and Bill Hudge.

Romulus Church Lists Services

ROMULUS -- Evangelistic services will be held at the Hope Baptist Church, 30025 King Road, beginning Sunday, May 19 at 11 a.m., and continuing every evening at 7 p.m., until May 24.

Rev. Larry Mattis will be the speaker. The church extends an open invitation.

ROMULUS PERSONALS

Mother's Day, Banquets And 1st Communions On Calendar

MORRIS WH 1-1187

A Mother and Daughter Banquet will be held 6:30 p.m., Friday May 17, at the Calvary Baptist Church. It is sponsored by the Ladies Mission Group and tickets are available from Mrs. Meryl York, Mrs. Rose Anderson, or Mrs. Ella Margaret Mulberry. There is no charge but a free-will offering will be taken at the dinner.

Mr. and Mrs. L. Icenogle, of Huron River drive South, returned home Wednesday night from a five day vacation trip to Florida, via Eastern Airlines' whisper jet. The couple remained at Miami Beach during their stay in the sunny South.

John S. Ryznar, 8, made his First Communion Sunday, May 5, at St. Aloysius Catholic Church. His parents, Mr. and Mrs. John R. Ryznar, of Wabash road, entertained afterwards at a dinner in his honor.

MRS. SPEAR & MRS. THEISEN

Romulus' Twin Sisters Mark 84th Birthday

Probably the area's only 'senior' twin sisters, Mrs. Adah Spear and Mrs. Edah Theisen celebrated their 84th birthday on May 12. The fraternal twins, who were born in 1884 in Coldwater, Michigan, were honored at the Taylor Town House, in Plymouth, during an evening of dining out.

Attending were Mr. and Mrs. Lawrence Dzobak, of Garden City, Mr. and Mrs. Stephen Dzobak, of Jackson, and Bryan Killingbeck, who resides with the twins. Twin cakes, topped with sparklers, highlighted the evening when they were presented during a surprise acknowledgement of their birthday.

During the week-end, relatives of both ladies presented them with Mother's Day gifts and birthday presents. Amidst their array of cards and gifts, the twins are happy and looking forward to the coming year.

Now making their home at 11993 Oliver street, Romulus, the twosome moved recently from their long-time residence at 34325 Goddard road. The ladies still enjoy playing cards with a Pedro group formed in 1945 and keep busy in their garden and with sewing and crocheting.

Mrs. Spear, whose husband Hiram passed away in 1950, has two children, 13 grandchildren and five great-grandchildren.

Her sister, Mrs. Theisen, a widow since 1957, has four stepchildren, 10 grandchildren and 14 great-grandchildren.

ARQUETTE-STRANYAK WED

St. Stephen's Is Setting For Double Ring Nuptials

Gladioli and white roses graced the altar of St. Stephen's Catholic Church May 4 as Frances Patricia Stranyak and Donald Norman Arquette exchanged double ring wedding vows. Fr. Wytral officiated at the noon mass attended by some 100 friends and relatives.

Mr. and Mrs. Joseph Stranyak, of 21104 Merimaran road, New Boston, and Mr. and Mrs. Norman Arquette, of Clare, are parents of the young couple.

The bride, escorted to the sanctuary by her father, appeared in a full-length gown of Chantilly lace and silk organza fashioned with a Sabrina neckline and long, tapered sleeves. A court train, edged with ruffles and sprinkled with sequins, fell from the shoulders to form back interest.

Her three-tiered illusion veil was held by a petaled headpiece

MR. & MRS. THURMAN R. DICKENS

Dickens-White Vows Read At Bride's Home

Katherine Marie White and Thurman Ray Dickens were united in marriage Saturday, May 4, in the home of her parents, Mr. and Mrs. Emerson White, of 160 S. Biggs street, Belleville. The Rev. Allen Lawson presided at the ceremony.

For her wedding the bride chose a street-length dress of white lace. The two-piece creation was styled with a high rounded neckline and three-quarter sleeves. A petaled headpiece studded with seed pearls

have just returned from a 10 day honeymoon in the South. They spent several days at Hot Springs and also visited the Ozark Mountains, Enroute home the couple visited his grandmother, Mrs. Cella Brown in Grand Rapids.

The Patrick E. Browns were honor guests at a farewell party Thursday evening, given by his parents, Mr. and Mrs. W. J. Brown, of Wayne road, and sister and brother-in-law, Mr. and Mrs. Alvin Britz, of Romulus, at the Britz home. Brown has entered the U. S. Army and left by plane from Metro Airport Friday, May 10, bound for Ft. Knox. His grandmother, Mrs. Madeline Duchene, 79, of Detroit drove out for the party, making four generations in attendance.

Francis Glnski, 8-year-old son of Mr. and Mrs. Albert Glnski, of Ferndale street, made his First Communion Sunday, May 5, at St. Aloysius Church. A party was held afterwards at his parents' home. About 70 relatives were present from Belleville, Romulus, Garden City, Detroit, Allen Park and Ypsilanti. The boy's great grandfather came from Bay City for the occasion.

The Roscoe Beardsens, formerly of Goddard road, are now residing on No. Crown street in Westland. They resided in Romulus for over 20 years.

Because of its large numbers of educational institutions, Nashville is known as the "Athens of the South."

Huron High Selects Graduation Speakers

NEW BOSTON -- Huron Senior High School's two top students who are the 1968 Valedictorian and Salutatorian for the June graduation ceremonies were announced by William Miller, school principal.

Clarence Masson, with an excellent grade point average of 4.0 is Valedictorian. He is the son of Mr. and Mrs. Clarence Masson of 31831 Pennsylvania road.

For the past three years, was the fourth place winner in Botany at the Cobo Hall Science Fair in 1966, and received outstanding mention for his Botany project at the 1968 Science Fair at Cobo Hall.

Clarence will attend the University of Michigan's School of Literature, Science and Arts. He will also be working in activities affiliated with his church.

The Salutatorian is Miss Brenda Cox, whose grade point average is 3.78.

Clarence Masson

He has won scholarships from the Michigan Competitive Association, University of Michigan Board of Regents and a Marathon Oil Company Scholarship which will pay full tuition and expenses for four years of college.

An active student, Clarence has participated in many school activities in the past four years. He is a member of the National Honor Society and served as president this year; a member of the newspaper staff for four years and served as co-editor and photographer this year; a member of the yearbook staff for four years and worked in the capacity of photographer and a member of the orchestra for three years.

He also attended Interlochen Music Camp on a scholarship for four years, took first place in the school's Science Fair

Brenda Cox

She is the daughter of Mr. and Mrs. Lonnie Cox of 27546 West road.

Brenda has taken part in many activities during her high school years. She has been a member of the National Honor Society for the past two years; a member of the Bachelors Club for two years; Future Nurses Club for one year; Future Teachers Club for two years; Thespians Club one year and Library Club two years.

She received honorable mention in the School Science Fair in 1967 and played on the Powder Puff Football Team.

Brenda looks forward to a career in nursing and will enter Grace Hospital School of Nursing, Detroit, in August.

Memorial Parade Is May 26

BELLEVILLE -- Plans for the Annual Memorial Day Parade to be held in Belleville on May 26, are progressing on schedule.

The parade, sponsored by Belleville's post of the Veterans of Foreign Wars, No. 4434, will start at Victory Park beginning at 12 noon.

Parade entries scheduled to participate in the annual Memorial Day observance, according to Claude Shanks of the VFW Post are:

Veterans of Foreign Wars Post No. 4434, Polish Veterans Post No. 167, Sumpter Township VFW Post, Women Auxiliary of VFW Post No. 4434, Belleville High School Band.

Also various Girl Scout Troop units followed by area's Boy Scouts troop units, Antique cars, St. Bernard Dogs and carts. Horses of various 4-H Clubs and area clubs and service organizations have entered.

Quirk School's 'Babes in Toyland' Performers Pose

OPERETTA'S CAST -- Quirk Elementary School is presenting Victor Herbert's famed operetta "Babes in Toyland" at the Belleville Junior High School, May 24 and May 25. Above is part of the 47-member cast taken during a recent rehearsal. The operetta is a community-wide-school project. Both students and parents are sharing various tasks in presenting the children's play.

YOUTHFUL PERFORMERS -- Above are pictured some of the leading characters in the Victor Herbert's popular operetta "Babes in Toyland" that will be presented May 24 and May 25 by pupils at Quirk Elementary School. Left to right (first row) are Susan Mosey (Curly Locks); Debbie Rice (Contrary Mary); Gregory Johnson (Jack); Linda Burwell (Jane); and left to right (second row) are: Ted Clayton (Tommy Tucker); Jeff Riley (Peter); Lynn Wheelock (Miss Muffet); Gail Simons (Red Riding Hood); and Nancy Beck (Bo Beep).

PRINCIPAL ROLES -- "Babes in Toyland" a famous operetta by Victor Herbert will be presented at Quirk Elementary. Principal performers are shown above. Left to right (front row) are: Vicki Coshatt, Edward Rice, Ken Smith, Betty Kennedy and David Bauer; back row (left to right) are: John Brooks, Barbara Tooty, Tim O'Harris, Debbie Rice, John Harrison and Bill Stokes. The play's director standing at rear of group is Keith E. Drayton, music teacher at the school.

Romulus Students Win

ROMULUS -- Four students represented Romulus High School in the annual student industrial competition sponsored by the Michigan Industrial Education Society and Ford Motor Company.

The regional contest, held at Eastern Michigan University, consisted of teams from many Southern Michigan schools.

Karl Toth and John Brooks, seniors, who made up the Rom-

ulus automotive trouble shooting team, captured first place in their division by correcting 23 problems in a '68 Galaxy Ford, donated by Spittler-Demmer, in 39 minutes.

The power technology team consisted of students Waynard Shreve and Frank Schossau and won a third place for Romulus by repairing a 3-horsepower Tecumseh 4-cycle engine.

Upon winning first place in the regional contest, Karl and John were invited to participate in the state competition. The contest, also held at Eastern, proved the ability of these boys and their instructor, Al Sheffield, once more as they walked away with another first place trophy.

TROUBLE SHOOTER CONTEST WINNERS--Four students attending Romulus Senior High School are shown with trophies they won for the school in the annual student industrial competition sponsored by Michigan Industrial Education Society and Ford Motor Company. Left to right are: Karl Toth, senior; John Brooks, senior; Waynard Shreve and Frank Schossau, both juniors. Toth and Brooks won first place in automotive trouble shooting and Shreve and Schossau won third place in power technology.

NEW BOSTON EVENTS Music Dept. To Present Spring Concert May 23

By Mrs. William Havenstein 753-3801

A spring concert will be presented by the Huron School District Elementary and Junior High Music Department on Thursday, May 23, in the Huron Junior High Gymnasium at 7:30 p.m.

The sixth grade band will perform in the first portion of the program. They will play "In My Merry Oldsmobile" and "Dance of the Pixies." A trombone solo, "Slide Kelly Slide," will be played by Tim Bilbrey, a sixth grader.

Among the selections to be performed by the Junior High Band are "Skyrocket March," "Italian Master Suite," "Prelude and March," "Basses Deep Down Under" and "American Patrol."

Several students will be featured in solos and ensembles. Bonnie Fuller will be heard in a French horn solo; Ed Fakhoury will play a bass clarinet solo; Sharon Grover, Mary Bialas and Ed Fakhoury will perform as a clarinet trio.

Both bands are under the direction of Mrs. Catherine Lewis.

The public is invited to come and enjoy this admission-free concert.

The Beginners' Bands of Riverside and New Boston, made up of fifth grade students, will have an opportunity to perform for a students' assembly later this month. Mrs. Lewis is also instructor for this band group.

Members of the Huron Township Health Committee sponsored a most successful Immunization Clinic May 9. Many people are responsible for the success of this project. Doctors and nurses from these and surrounding communities donate their time to this worthwhile cause.

The Clinic Chairman, Mrs. David Lewis, Committee President, Mrs. Joseph Balog, and members wish to express their appreciation for continued support of this program by the doctors who generously donated their time and services.

A special thank-you to Dr. Russell Proud of Flat Rock, Dr. Donald Everingham and Dr. Angelo Constantinos both of Romulus, and Dr. Joseph Richert of New Boston; nurses, Mrs. Evelyn Walbel, Mrs. June Grimm and Mrs. Dorothy Causey.

A thank-you also to the girls of the Huron High Medical Careers Club and the pharmacist of Kirk's Drug Store in Belleville.

Approximately 100 Huron High School students are busily involved in preparations for the school play, "Take Me to Your President." The comedy in two acts, adapted by Christopher Sergel, will be performed by a cast of 43 students.

The theme of the story centers on "A-1" who leaves England in a space craft and lands in an American Indian village where he is taken for a Martian.

The main character, "A-1" is portrayed by Bill Crocker, and the play director is John Marcero.

Two performances will be presented, May 16 and 17. Curtain time will be 8 p.m. in the Huron High School gymnasium. Admission is \$1 for adults and 75¢ for students. Don't miss an evening of laughs.

Huron Township Athletic Association is in need of players, managers and coaches for Pee Wee, Little League and Senior League Baseball teams.

Teams are now being organized for the above groupings. Players must be between 7 and 15 years of age. Managers and coaches must be 17 years of age or older. Games will start June 3. Sign up now and have your choice of teams.

For further information contact Joe DeJack, 753-9224, or Forrest Coop, 752-9718.

For an evening of comedy, don't forget the Wyandotte Community Theatre production of "Barefoot in the Park," May 16, 17 and 18 at 8:30 p.m., and May 19 at 7:30 p.m., at the Lincoln Junior High School, 4460 - 18th street, Wyandotte.

Girl Helped by Health Agencies Opens Health-O-Rama Tomorrow

WESTLAND -- Health-O-Rama, the most ambitious community service project ever undertaken by Women for the United Foundation (WUF), comes to Westland Shopping Center tomorrow (Thursday, May 16).

Free medical testing will get underway and some 30 exhibits will be unveiled at opening ceremonies to which Westland dignitaries and community leaders have been invited.

Second in a series of four planned by WUF for the tri-county area, the Health-O-Rama will remain open from 11 a.m. to 9 p.m. daily through Saturday.

OFFICIAL STARTER for the opening will be 12-year-old Carol Kohlstrunk, daughter of Mr. and Mrs. Arthur Kohlstrunk, 30161 Oakview, Livonia. Symbolizing the many helped through Torch Drive health agencies, Carol will use surgical scissors to clip Health-O-Rama's gauze bandage wrappings and signal its opening to

the public. Carol, diagnosed as diabetic six years ago, and her family are among the many being helped by the Michigan Diabetes Association, one of 26 Torch Drive health services participating in the Health-O-Rama.

Following the diagnosis by the family physician, Carol was taken to Children's Hospital of Michigan, also a Torch Drive service, where the disease was brought under control.

BECAUSE OF the counseling and help the Kohlstrunk family later received through the Diabetes Association, Carol is able to enjoy an active, happy, normal childhood.

Attending the association's Camp Midcha, located near Oxford, Mich., she learned that a great many other children had diabetes.

Now a seventh grader at Riley Junior High School, Livonia, Carol is known as a "very creative person" particularly fond of tennis, bicycling and reading as well as art.

Among those attending the opening ceremony will be Westland's Mayor Thomas H. Brown, of 1917 Eagle Court, and three Westland councilmen.

Others will include John J. Nolan, of 30539 Minton, Livonia, manager, Westland Division, Shopping Centers Inc.; George E. Anderson, of 35787 Minton, Livonia, president, Westland Center Merchants Association and manager of the Detroit Edison Branch in Westland.

Also, Gene J. Duffey, of 11702 Parkview, Plymouth Township, public relations director, Westland Division, Shopping Centers Inc., and Joseph F. McHugh, Independence Green, 24678 Madison Court, Farmington, manager, the J.L. Hudson Co. store in Westland.

WUF leaders on hand will in-

clude the organization's president, Mrs. R. Jamison Williams, of Birmingham, and the Health-O-Rama co-chairmen, Mrs. Alfred R. Glancy III and Mrs. R. Alexander Wrigley, both of Grosse Pointe.

The Westland Health-O-Rama will be followed by similar events at Eastland, May 23-25, and Wayne State University, June 8-9.

At each, free screening tests will be offered for anemia, blood pressure, cancer, cholesterol, diabetes, hearing, height and weight, oral cavity and vision along with a chest X-ray which will be checked for lung cancer, emphysema, enlarged heart and tuberculosis.

For children between 3 1/2 and 5 years of age, Health-O-Rama will offer a preschool vision screening to detect any sight impairment at an early, and frequently corrective, stage.

Test reports will be mailed to each individual's private physician for evaluation and follow-up.

4 H Council Auction is Successful

BELLEVILLE -- "A huge success" was the comment of Wayne County 4-H Council officials when reporting Monday on the results of their initial auction held at the 4-H Fairgrounds.

Despite a rain that officials thought would hamper the auction attendance, proceeds realized were beyond expectations. Robert Hayward, council official, reported sale proceeds totaled some \$700.

The auction was held to procure funds to build a new 4-H Council Building that will house the new Donut Kitchen and 4-H Meeting Room. Another auction to be held in June is being planned, he said.

Bus Drivers' Probation Is Lifted

SUMPTER -- The Sumpter Board of Education at its regular meeting held on May 8, voted to remove all school bus drivers who participated in the bus drivers' strike last Feb. 20, 1968 from probation, Wayne L. Webb, school superintendent announced.

The bus drivers who participated in the bus strike were suspended for three days without pay and were placed on probation. The strike involved issues of bus selections and schedules.

OFFICIAL STARTER for the Women for the United Foundation (WUF) Health-O-Rama opening Thursday (May 16) at Westland Shopping Center will be Carol Kohlstrunk, daughter of Mr. and Mrs. Arthur Kohlstrunk, 30161 Oakview, Livonia. A 12-year-old seventh grader, diagnosed as diabetic six years ago, Carol was nominated by the Michigan Diabetes Association, 10737 W. McNichols, to symbolize the many helped through Torch Drive health agencies.

Romulus Students To Present Operetta

ROMULUS -- An operetta called "H.M.S. Pinnafore" by a selected group of students will be presented at Romulus Junior High.

The operetta is a satire, poking fun at the British Navy and the British social structure. It was written in 1878 by Sir Arthur S. Sullivan and William S. Gilbert famous composers and writers of operetta.

There will be approximately

75 students in the production. It consists mostly of seventh graders and the eighth grade chorus. Auditions have already been held.

The dates of the two performances are May 27 and May 28.

The May 27 performance will be at 2:45 p.m. and on May 28 the performance will begin at 7:30 p.m.

Safety Crusade Director Lists What to Know About Tornadoes

"Tornadoes are small but deadly storms that skip across the land cutting a swath of destruction," warns Donal C. Bolton, Michigan Director of the Allstate Safety Crusade.

They are violent local storms with winds that whirl at tremendous speeds. Many tornadoes are accompanied by thunderstorms, especially storms that deposit hailstones. Frequently two or more tornadoes appear in the same area, following more or less parallel paths.

Bolton points out that a tornado usually is seen as a rotating funnel-shaped cloud extending toward the ground from the base of a thundercloud.

Tornadoes vary in color from gray to black, but all have one deadly characteristic: rapidly rotating winds that cause them to spin like a top. When close by, tornadoes sound like the roar of hundreds of airplanes.

THE AVERAGE tornado path is about 16 miles long and a quarter of a mile wide. Speeds range from 25 to 40 mph but can have speeds as high as 68 miles an hour. In most cases they move from a westerly direction, usually from the southwest.

Tornadoes occur in every state but most frequently in the central U.S. The number of tornadoes normally starts to increase in the Gulf states in February and reaches a peak there in March.

The number increases during the spring and spreads northward into the Midwest, occurring there most often in May and June.

Tornadoes do frightful damage, so precautions must be

taken to minimize the storm's effects. Such objects as trees, building material and even cars are hurled through the air with awesome force. The sudden drop in pressure during tornadoes explodes buildings like punctured balloons and debris hurtles through the air like a javelin.

In a city or town seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS! In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses.

People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to equalize the air pressure inside and help reduce damage to the building. Standing against the inside wall on a lower floor of an office building offers some protection.

After the storm has passed,

don't use the telephone except for an emergency and keep your radio or TV on for information and public instruction. Stay away from broken or low hanging power lines. Tell police or utility companies about them.

Allstate's Safety Crusade Director advises, "If you see a tornado approaching or hear a warning of one approaching, your immediate action may mean the difference between life or death."

**Hydrostatic "1250" Joins
Powerful BOLENS Team!**

Golf Champion Arnold Palmer test drives the new 12 1/2 hp BOLENS Husky 1250...

Exclusive safety and convenience features give commercial size Husky 1250 all-purpose, all-season performance. The new "1250" is the toughest Husky BOLENS ever offered. Testing it on the difficult Latrobe, Pennsylvania golf course, Arnie breezed through the hardest turf care and tillage work in record time! Here's why:

• Hydrostatic Transmission, exclusive "1250" automatic, needs no clutch, belts or chain drive. Fingertip touch gives you infinite speed variation to match dozens of chores. • Instant One-Foot Pedal Control...like having a third hand. Provides greatest safety with instant, one-foot braking, speed variation, forward-reverse. • Fast-Switch Power-Lock Hitch delivers power directly from power-take-off (PTO) to attachments. No finger-pinching belts. • Hydraulic Lift Lever hoists Husky 1250 attachments; "Position Gauge" lets you regain original height. All controls easy to see and reach. PLUS: Hose coupling on rotary mower base for quick flushing and cleaning while mower is running; Foam-padded, adjustable seat; Parking brake for positive hill-holding safety.

The Husky 1250 is powerfully perfect for commercial, industrial, farm and large estate use. See your BOLENS dealer soon; ask for the specifications catalog. Remember, you expect more from BOLENS...and it's all standard.

Security is all you need!

Member Federal Deposit Insurance Corporation

Is Security, all you need?

We think so! You see, we feel you ought to be able to take care of all your banking needs under one roof. As a result, we built our bank to meet your needs.

We've a loan department that will provide you with money for any worthwhile purpose. Whether you want a new car, or a new home...a boat or have a number of bills that must be paid, we can assist you.

If you've money to save we can show you how to make it earn from 4% on passbook savings to 5% on savings certificates.

If you've money to spend you'll find that our Security Chargecard makes spending, and paying for it, much easier. We call it the "everyday chargecard" because everyday more than 200,000 card holders use it at over 2000 shops in Metropolitan Detroit.

We've a trust department that stands ready to provide you with trust and estate planning advice for the personal side of your affairs and, should your business call for it, profit sharing and pension program suggestions for those you employ.

In addition, you'll find that we provide safe deposit boxes for your valuable papers, travel assistance that includes everything from the issuing of travelers checks to letters of credit, and personal and commercial checking accounts, including our popular "Thrifty-150" family checking account...the account that's yours with no service charge when you maintain a minimum monthly balance of \$150.00.

We built a bank for people. We designed it in such a manner as to offer all the banking services you will ever need, under one roof.

When we say, "Security is all you need", we mean it!

Romulus League Streak Snaps at 4

TWIN VALLEY LEAGUE

TEAM	Won	Lost
Romulus	4	1
Ecorse	4	1
Hamtramck	2	3
River Rouge	2	4
Willow Run	1	4

Romulus stumbled in its opening game of the second round of league competition and as the Eagles fell 7-5 to River Rouge, Ecorse moved up and caught coach Lowell Johnson's team.

The unexpected Romulus setback caused a two-way first place tie in the Twin Valley Conference with Ecorse and the Eagles sharing the leader's berth with 4-1 records.

Romulus won four straight in the league before the Panthers got to them and previously undefeated hurler Bob Rithaler who looked as if he was about to pitch his teammates out of the jam despite five costly errors.

Rithaler struck out six and walked three and kept his earned run average at 0.31. In his 44 innings on the mound, the senior righthander has given up only two earned runs.

And Romulus had two runs to work with against the Panthers as Tony Gray singled to left, stole second after Ray Horn tripled to start the first inning. Gray scored on a pass ball, giving the Eagles a 2-0 edge.

But River Rouge came back

with three runs in the second and three more in the third and got insurance with another fifth inning tally to hand the Eagles their first league loss.

Romulus came within one run

of knotting up the score in that fourth, Charlie Stewart launched the attack with a lead-off single and Leon James walked. Greg Brothers then emptied the bases with a triple to score two

and Horn's sacrifice fly accounted for the final run.

Tony Gray bagged two of the Eagles' seven hits. Both hits were singles while Horn and

Brothers each had triples. A busy week is ahead for coach Johnson and his Eagles - that is, if the weatherman cooperates. They have two league games on tap for the week.

Monday, Willow Run, and Thursday they'll play a return match at Hamtramck while on Friday Romulus clashes with Mt. Carmel at 7:30 p.m. at the annual Wyandotte Tournament.

TIGERS STILL IN RACE

Title Scramble Continues

One thing is for sure in the Suburban Six Conference baseball world -- and that's nothing is for sure. With all six teams with at least one loss on their league records, it's still a toss

up who will emerge with the title.

Belleville, erratic as they come, blasted Livonia Bentley 11-1 behind Bruce Bara's three-hitter, and claimed a 1-0

decision to Redford Union to stay in the title race with a 3-2 record, but fell to Ypsilanti, who's battling for survival in the Sauk Trail.

"We just can't say what we'll do," said veteran coach Vitold Kaminski. "When our boys hit, they hit, and when they don't, well, they don't. That's the whole story."

The Tigers did get a hold of the leather against Bentley and Ken Gowkowski hit the ball all over the park for 10 hits, but they waited until the seventh to collect eight of their 11 runs. Bara who walked three and fanned three kept his personal streak alive with three league victories.

Belleville's Wayne Suttles bagged two-for-four including a triple and an RBI while teammate Wilson Boone rapped a pair of singles and a couple of runs batted in for four appearances. Dennes Billings had a perfect day with two singles and two RBIs.

In that explosive seventh, (See TIGERS page 22)

FLYING HIGH -- Robert Harris spreads his wings and clears 5 feet, 8 inches in the Western Wayne Relays competition held at Belleville last week. Romulus' trio didn't fare so well, though, in the event at Wayne Memorial emerged with the victory with Bob Sample, Steve Vince and Ken Kanipe teaming up for 17 feet and first place.

HEAVY ARTILLERY -- One of the big guns in Belleville's battery this season is Wayne Suttles who smashed a triple and single in four appearances to lead the Tigers to an 11-1 rout over Suburban Six Conference rivals, Livonia Bentley, last week.

Eagles Third at Schafer

THOMAS SHOWS THE WAY

With rain perpetually pouring down upon a field of 48 high school track teams, the Schafer Relays in Southgate became a test against not only time and distance but also the elements.

And Ecorse, with a total of 29 points strolled off with first place honors while Wyandotte Roosevelt placed second and Romulus came in third. The downriver team gathered a total of 16 points while coach Ed Baum's Eagles ended up with 14.

More than half of the Eagles' points were contributed by Larry Thomas who picked up a second in the broad jump and a third in the 100 yard dash. He also ran a leg in the speed relay which placed fourth, giving him 7 1/2 points.

Thomas ran a 10.5 for the 100 and then leaped 21 feet, 5 inches to place second in the long jump while he teamed up with Roy Williams, Ralph Logan, and Ed Thompson to finish in 1:32.9

for the 880-relay.

Robert Harris also earned a fourth place ribbon when he cleared the 5 feet, 8 inch pole in the high jump.

Baum's shuttle hurdle relay foursome of Bobby Jones, Nate Humphrey, Ralph Logan and Larry Smith was clocked in 59.5 which was good enough for third place honors.

Earlier in the week, Romulus overpowered River Rouge, 84-34, to win its second Twin Valley Conference dual meet match of the season. Roy Williams and Ralph Logan each provided the Eagles with double victories.

Williams ran a 10.5 for the 100 and a 23.5 for the 220 while Logan polished off the high hurdles in 15.6 and took care of the lows in 12.7 (for a 120-yard course).

The Eagles also received first places from Nate Williams in the shot put who rocketed the shot 48 feet, 7 inches and Warren Boman crossed the 20 feet, 5 inches line in the broad jump. Robert Harris finished up with a six feet in the high jump.

Dave Brown cleared 10 feet to win the pole vault.

The Eagles' 880-team of Boman, Williams, Thompson and Logan was clocked at 1:31.9 while half-miler Johnny Wilson came in at 2:07.7. Sophomore Nabry Seale ran a 5:09 for the mile and Mike Morgan wrapped up a 10:51 for the two-mile course.

Romulus, after clashing with nonleague rival, Inkster, last night travels to Belleville Saturday to participate in the Regional Meet.

Jay Cees Hold 'Hole-In-One' Tournament

A "Hole-in-One" Tournament, aimed in helping the Little League Baseball Program in Wayne and promoted by the Wayne JayCees, will be conducted at Fellows' Creek Golf Course next month.

The three-balls-for a dollar tourney will enable the contestant to take a shot for a 1968 Camaro donated by Harry Demarest of Mark Chevrolet and 25 other prizes.

That Camaro will go to the first person who bags a "Hole-in-One" during the two-day meet of June 22 and 23rd.

The JayCees are attempting to raise \$15,000 for the Little League ball park which is located on Forrest and Hubbard. The 11.2 acres for the park was recently donated by the City of Wayne.

The rules for the tourney will be posted at the Fellows' Creek Country club. Those wishing to enter are urged to contact the Wayne JayCees at Box 105, Wayne Post Office.

Wayne Memorial, polling seven points more than defending champs, Livonia Bentley, and cashing in on three first places and four seconds, finished up with a total of 78 points and the Western Wayne Track crown last week.

Coch Hill Hawley's Zebras snatched the title away from Bentley which wound up with a second place finish with 71 points while Taylor Center ended up with 40 points for third place.

Wayne brought the crown back to its school after a lapse of two years during which Bentley had taken over as the WW power.

"Our boys have worked hard

all year long and I knew we had enough talent to win," said first year coach Hawley. "And, of course, I'm happy to bring home the trophy."

Wayne captured three of the 12 first places, winning the high jump, the high hurdle shuttle relays, and the 2-mile relay.

Three new Western Wayne marks were established by the 11 school field. Those records were set in the 2-mile run, the pole vault and the mile relay.

In the high jump relays, Bob Sample, Steve Vince and Ken Kanipe polled 17 feet even to win for the Zebras. Belleville finished second with 16 feet, 6 inches.

Wayne also won the high

hurdle shuttles with Sample, Vince, Don Kingery and Frank Chopp teaming up for a 1:08.3. They placed first in the 2-mile relay with Mike DeMars, Jack Johnson, Dennis Hamm and John Drotar with the time of 8:17.2.

Records fell in the pole vault relay as the defending champs picked up one of their four first places. The Bulldogs finished with 12 feet, 5-1/2 inches as Dave Plumley teamed up with Kinast, Schramm for a total of 34 feet, 5-1/2 inches.

Garden City East's Bernie Wasilewski ran a 10 minutes even to set a new two-mile record for the meet while Bentley's Koch, Freiderichs, War-

ren and Chemello were timed in 3:27.8 for the winning and record-shattering mile relay run. Romulus' two first places were provided by Larry Thomas, Ralph Logan and Warren Bo-

man who teamed up for 62 feet, and one-quarter inches for the victory in the long jump relay. Larry Thomas, Roy Williams, Ralph Logan and Ed Thompson ran a 1:31.6 for the 880.

Last Inning Rally Gives Huron 1st Win

A three-run last inning rally, ignited by a pair of singles and error, enabled Huron to snap its longest losing streak in recent years and gave coach Ron Smith's Chiefs a 4-3 victory over Monroe Jefferson last week.

The victory snapped an 11-game Huron losing streak and was also the first win for the Chiefs in the Lake Shore Conference campaign this season. Jim Inman, who had been frustrated in his three previous attempts for a personal win, pitched a five-hitter to chalk up the victory. He allowed three runs, striking out 10 batters (seven in the first three

innings) while he walked two. Trailing 3-1 going into the bottom of the seventh, coach Smith sent Craig Adeline in to pinch hit and he walked. Jerry Dulecki kept the rally alive with a single down the left field line and when Al Michling successfully bunted, Jerry Wells came to the plate with no outs and all bases loaded situation.

Wells tapped a slow-roller to third and Jefferson's third baseman in his attempt to cut the runner down at the plate threw wild. That scored the first run of the inning.

Ron Edmonds hit a dribbler down the first base line and the (See HURON WINS page 22)

SMITH TRIPLE WINNER

Chiefs Win League Meet

With Ed Smith providing Huron with a triple victory, the Chiefs chalked up a 60-1/2 to 49-1/2 victory over Carlson last week to win their first match in the Lake Shore Conference since entering the league.

Smith proved to be the best dashman at the meet as he crossed the 100-yard finish line with a 10.7 clocking. He also placed first in the 220 with a 24.3 performance.

Smith wrapped up the tripartite with an 18 feet, 10-1/2 inch effort in the long jump.

It was the first time in the league history of the two schools that the Chiefs had emerged with a victory. They also collected six other first places

and forfeited eight points because of an infraction of the rules. (Huron used an illegal runner.)

Oille Swim picked up a double victory and ran a leg in the winning 880-relay team. He was first in the high and low hurdles with times of 18 flat and 23.2, respectively.

Smith, Johnny Johnson, Swim and Richard Brown were the foursome in Huron's 880-relay which turned in a 1:38.5 for its winning time.

Randy Clark came up with a 54.7 to win the quarter-mile Larry Matlock and Ed Machzinski tied in the pole vault for

first-place honors. Machzinski won the high jump competition. Riverview, which is presently undefeated in the Mid-Wayne Conference, trounced the Chiefs in a nonleague last week, 84-1/2 to 33-1/2 with Ed Smith and Matlock preventing the Pirates from walking off with all the first places.

Smith's 18 feet, 6 inches topped the broad jump field while Matlock stopped at 10 feet to win the pole vault.

The Chiefs also will compete at Belleville on Saturday for Regional honors and will wrap up the Lake Shore Conference (See CHIEFS page 22)

SPORTS MERIDIAN

(continued from page 21)

They're organizing a Benefit Baseball Game with the donations going to help defray some of the hospital expenses. That game, to be played between the Wayne Policemen and an All-Star team, is scheduled for June 1 at 6 p.m. at the Wayne Athletic Field.

"We want to help out as much as we can," said Dean Smith one of the instigators of the game. "He's a swell guy who'd do anything for you and anything we can do for him is worth it."

Dean and his flock, Angelo DeMario, James Law, Ken Warfield, Bob Hendricks and Pat Cullen got things rolling. They formed the nucleus of a ticket committee.

And other have pitched in.

If YOU want to help out - just contact the Wayne Police Department. They'll sell you a ticket to the game for \$1.00. And that's one ticket you'll enjoy using.

From The Mail Bag

And here's a letter from one of our readers who is an avid baseball fan and does more than cheer at baseball games:

"Dear Mr. Meridian:

I have three hard ball baseball teams. One of those teams, ages 16 through 19 group, represents Dearborn Heights in the suburban Free Press (what's that-editor) League; another plays in a Dearborn Heights league while the third plays Class A ball.

It's very difficult to raise money for hardball, everyone goes for Little League and softball nowadays, and I personally think it's a shame.

It would be nice if we could receive more help for teenage baseball when you consider that uniforms and other paraphernalia for each team runs approximately \$600.

I have raised money in all sorts of ways and we used the same uniforms year in and year out and we could use some financial help."

Thank You,
John L. Murphy
CR 4-3333

Anyone want to sponsor a team?
(But don't look for any help around Garden City, John. Didn't your team shutout Frank Ventura's in the Class A opener last week?)

Huron's 1st Win

(continued from page 21)

first baseman's throw hit Du-lecki who was heading for home and bounced away, scoring the runner and Michling with the winning run.

In the opening frame when Wells walked and came home on Edmonds' triple to right center, but Jefferson came back to tie it up in the fourth with a single run and they went ahead with a two-run sixth inning.

Earlier in the week, Huron wasted a five-run inning as Carlson retaliated with three runs in the bottom of that inning and one in the eighth to stun the Chiefs with an 8-7 extra inning league loss.

Huron scored two in the opener and got those five in the fifth to take the lead 5-4, but it wasn't enough.

Michling again had a good day at the plate as he rapped out a pair of hits in five appearances. Doug Hicks duplicated the feat. Both players accounted for four of the Chiefs' seven hits.

John Cox, returning from a short affair with the flu, pitched all eight innings to take the loss. Of the seven hits Carlson got off the Huron pitcher, three were in that decisive eighth.

Hicks single with bases loaded in the first accounted for the first two Huron runs. Michling led off with a single and then Howard McIntosh and Jim Inman both worked Carlson's hurler for walks.

In the fifth, Michling started the rally with a hit while Wells walked. After Edmonds filed out, McIntosh walked to load the bases. Inman walked to force in the first run and then Hicks singled to left center for another pair of RBI's.

Gary Gorham was safe on an error, Cox walked and with the bases loaded Michling, up for his second time in the inning, walked to force in the Chiefs' final run of the ball game.

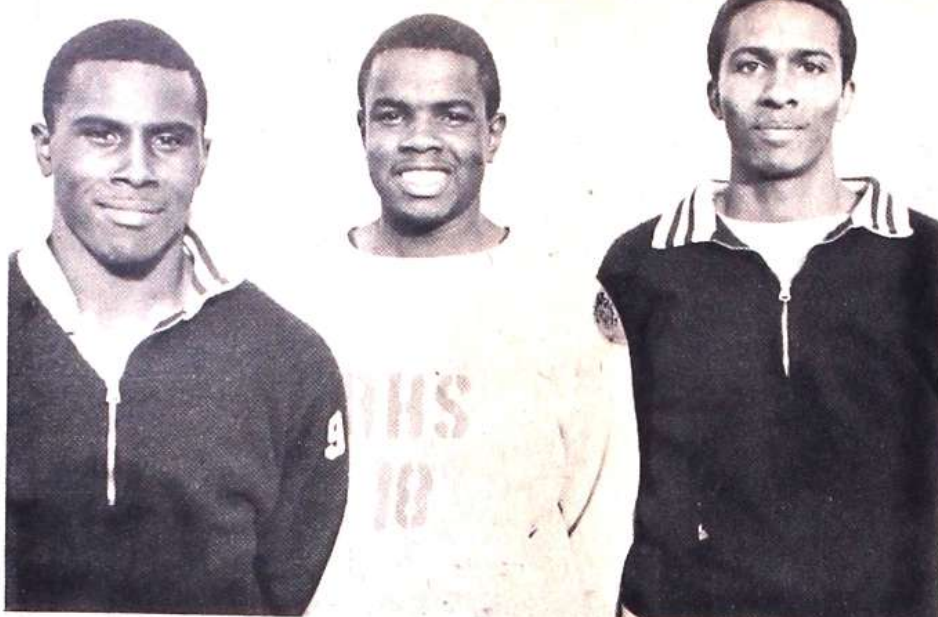

Huron returns to Lake Shore Conference action Friday against Carlson after playing Mason in a night session Tuesday.

Club Sets
Benefit
Field Meet

The Blue Angels Motorcycle Club is sponsoring a Benefit Field Meet, Sunday, May 19, at Taylor Farms, located at Haggerty and Willow Roads.

All proceeds are being donated to the Penickton Center, a non-profit organization, Taylor.

The organization serves multi-handicapped blind children throughout the metropolitan area. Donation is \$1.50; children under 12 free. Refreshments will be available.

WINNER'S CIRCLE--Tops in the long jump relay at the Western Wayne Meet was Romulus' threesome of Larry Thomas (left to right) Ralph Logan and Warren Boman who picked up the first place ribbon on 62 feet and a quarter inch total. Thomas also registered the individual high when he leaped 21 feet, 11 and three-quarter inches.

Chiefs Win League Meet

(continued from page 21)
season today (Wed., May 15th) at Monroe Jefferson.

Coach Tom Grange's boys will travel to Carlson a week from today to compete in the final

Lake Shore Conference League Meet. The league will be dissolved after the current school year with the Chiefs going into the Huron Conference next season.

Title Scramble Continues

(continued from page 21)

Belleville sent 12 batters to the plate to turn the close 3-1 game into a rout.

Jim Harrison singled to start the inning and Bara and Gary Gentle each drew bases on balls. Suttles, with bases loaded facing him, cracked a single for one run.

Bill Coffman was given first base on an interference call and Norm Harrington got there the hard way--he was hit by a wild pitch to force in another run.

After John Gasildo walked, Boone and Billings each tapped out singles.

Harrison, up for his second time in the inning, was safe on an error while Gentle filed out to end the rally.

Redford Union's Dale Bjerke held the Tigers to five hits but one of those was a fatal seventh inning, two away, 3-2 pitch home-run by Boone who sent

the ball over the left-field fence for his second round-tripper of the season.

Bara threw another three-hitter, and went two for two at the plate. The 16-year-old righthander struck out 10 and walked two for his second victory.

Ypsilanti struck for five runs in the second inning and one more in the fourth and added two in the seventh to hand Belleville an 8-5 non-conference loss last week.

Boone, who started and lasted four innings on the mound, took the loss. Dick Wenzel relieved him in the fourth and gave up the final two runs.

LEARNING MEANS FUN
FOR BOYS AND GIRLS
OF WOODCRAFT

Robert J. Thomas
Field Representative
Wayne, Michigan
722-0380

As junior members of Woodmen of the World in this area, your youngsters enjoy a very big extra: a year-round program of special activities ranging from summer encampments and outdoor sports to indoor fun. All of them are planned to offer both good times and educational opportunities. This extra fraternal benefit, of course, goes hand in hand with the protection of good, sound, legal reserve insurance. Make a quick phone call today. Get specific details on the Boys and Girls of Woodcraft programs.

Also investigate Woodmen's Health and Accident and Income Protection plans.

THEODORE HOLTON Plaintiff,

vs

MATTIE HOLTON Defendant,

ORDER TO ANSWER

At a session of said Court held at the Courthouse in the City of Detroit, County and State aforesaid, this 2nd day of May, A.D., 1968.

PRESENT: HONORABLE CORNELIA G. KENNEDY Circuit Judge.

On the 26th day of January, 1968, an action was filed by Theodore Holton plaintiff, against Mattie Holton, defendant, in this Court for judgment of Divorce.

IT IS HEREBY ordered that defendant, Mattie Holton, shall answer or take such other action as may be permitted by law on or before the 8th day of August, 1968. Failure to comply with this Order will result in a judgment by default against such defendant, for the relief demanded in the Complaint filed in this Court.

CORNELIA G. KENNEDY, Circuit Judge.

'King of the Patio' Search Launched by Detroit Edison

The Detroit Edison Company launched its fourth annual search for a "King of the Patio" this week and began accepting recipes at all of the company's 74 customer business offices throughout Southeastern Michigan from men who practice and enjoy the art of outdoor cooking.

The contest for King of the Patio has, since its inception, attracted hundreds of male contenders each year - some who ply their culinary artistry with grave dedication, others who pursue their art with the light-hearted gall of hearty men simply exhibiting their incidental talents, but all with the seriousness of purpose to come out with the grand prize.

Miss Marion E. Ryan, head of Edison's electric living division, reported the contest runs from May 1 through May 31. It is open to men, 18 years of age and over, who reside in Edison's Southeastern Michigan service area.

ENTRY INTO the contest is achieved by the contestant's submission of his favorite Patio Recipe to the company's electric living division prior to midnight, May 31.

Miss Ryan said that entries must include name, address and telephone number. Preferably, entries should be mailed to Electric Living Division, The Detroit Edison Company, 2000 Second Avenue, Detroit, Michigan 48226, but may be submitted by the deadline to any Edison customer business office.

Professional chefs, cooks, Edison employees and members of their immediate families are not eligible.

ON JUNE 5, judges will se-

lect ten finalists whose recipes appear the most interesting and promising. The talented ten will then compete in a cook-off for "King of the Patio" honors and other awards on Wednesday, June 12. All finalists must be available to compete in the cook-off.

The grand prize for the "King" is an Electric Char-Grill Porta-Kart, which can be used outdoors or indoors and includes all necessary wiring and attachments.

A Patio Table, complete with table service and Electric Rotisserie - Broiler, will be awarded as second prize; and the third prize will be an Open-Hearth Broiler - Rotisserie complete with a shish kebab attachment.

Miss Ryan and her staff will provide the groceries and cooking equipment for each finalist. There will be an assortment of electric broilers, ovens, rotisseries, and grills for the finalists to use.

JUDGES FOR the cook-off will be George Pierrot of WWJ-TV, Mark Beltaire of the Detroit Free Press, Len Barnes, Motor News outdoor editor, and Mort Neff of WXYZ-TV.

In the event the judges need any assistance, three other experts will be present as honorary judges. They are Kay Savage of the Detroit Free Press, Cy Riley of the Detroit News, and Edythe Fern Melrose, Lady of Charm.

"Honor the Dead by helping the living" is the slogan of the annual Veterans of Foreign Wars Buddy Poppy sale. Proceeds are used entirely for the welfare of disabled and needy veterans and the survivors of deceased veterans.

'Fine Arts Festival-1968' Scheduled by Romulus High

ROMULUS -- The second in a series of four programs that constitute the Romulus High Schools' "Fine Arts Festival - 1968," will be presented Wednesday evening, May 22, in the Romulus Senior High School gymnasium.

Scheduled for that evening is the annual spring music concert and student art show. Musical groups from the Romulus Schools to be featured during this program will include: The Junior High School Chorus, conducted by Mrs. Frances Geiser, the high school band and orchestra, conducted by Gideon Pettway, Jr., and the high school choir and glee club, with Wade S. Jones, conducting.

Some of the musical selections scheduled for this concert include: Jean Sibelius' "Onward, Ye Peoples," Leroy Anderson's "Jazz Pizzicato," selections from the Gilbert and Sullivan Operetta, "H.M.S. Pinafore," Randall Thompson's "Alleluia," The "Overture for Winds," by Charles Carter and the Peter J. Wilhousky arrangement of Steffe's "Battle Hymn of the Republic."

DURING THE intermission, artistic work by students of Mrs. Beverly Kellogg and William Babcock, Art Instructors at the high school, will be on display in the cafeteria.

The third program in the series, scheduled for Monday, May 27 at 2:45 P.M. followed by a repeat performance at

7:45 p.m., Tuesday, May 28, will be the Gilbert and Sullivan Operetta, "H.M.S. Pinafore."

This operetta, to be presented by an all junior high school cast, is under the co-direction of Mrs. Geiser and Mrs. Suzy Lincoln. The work will be staged in the Junior High School auditorium.

The final program in the series, also scheduled for two performances, will be the musical comedy, "The Guy From Venus."

This bright and amusing musical with a story as timely as the next "Man-In-Orbit Shot" will be staged at the junior high school on June 6

and 7. Curtain time for both performances: 8:00 p.m.

"The Guy FROM Venus" is being presented by the Fine Arts Department of the Romulus Senior High School and will be under the direction of Wade S. Jones. Providing accompaniment for the musical will be a stage band directed by Gideon Pettway, Jr., student director

for the musical is Paula Cucchiara.

Although single admission tickets may be purchased for each individual program, a special series admission ticket is also available and may be purchased at a substantial savings. Tickets may be purchased at either the junior or senior high schools.

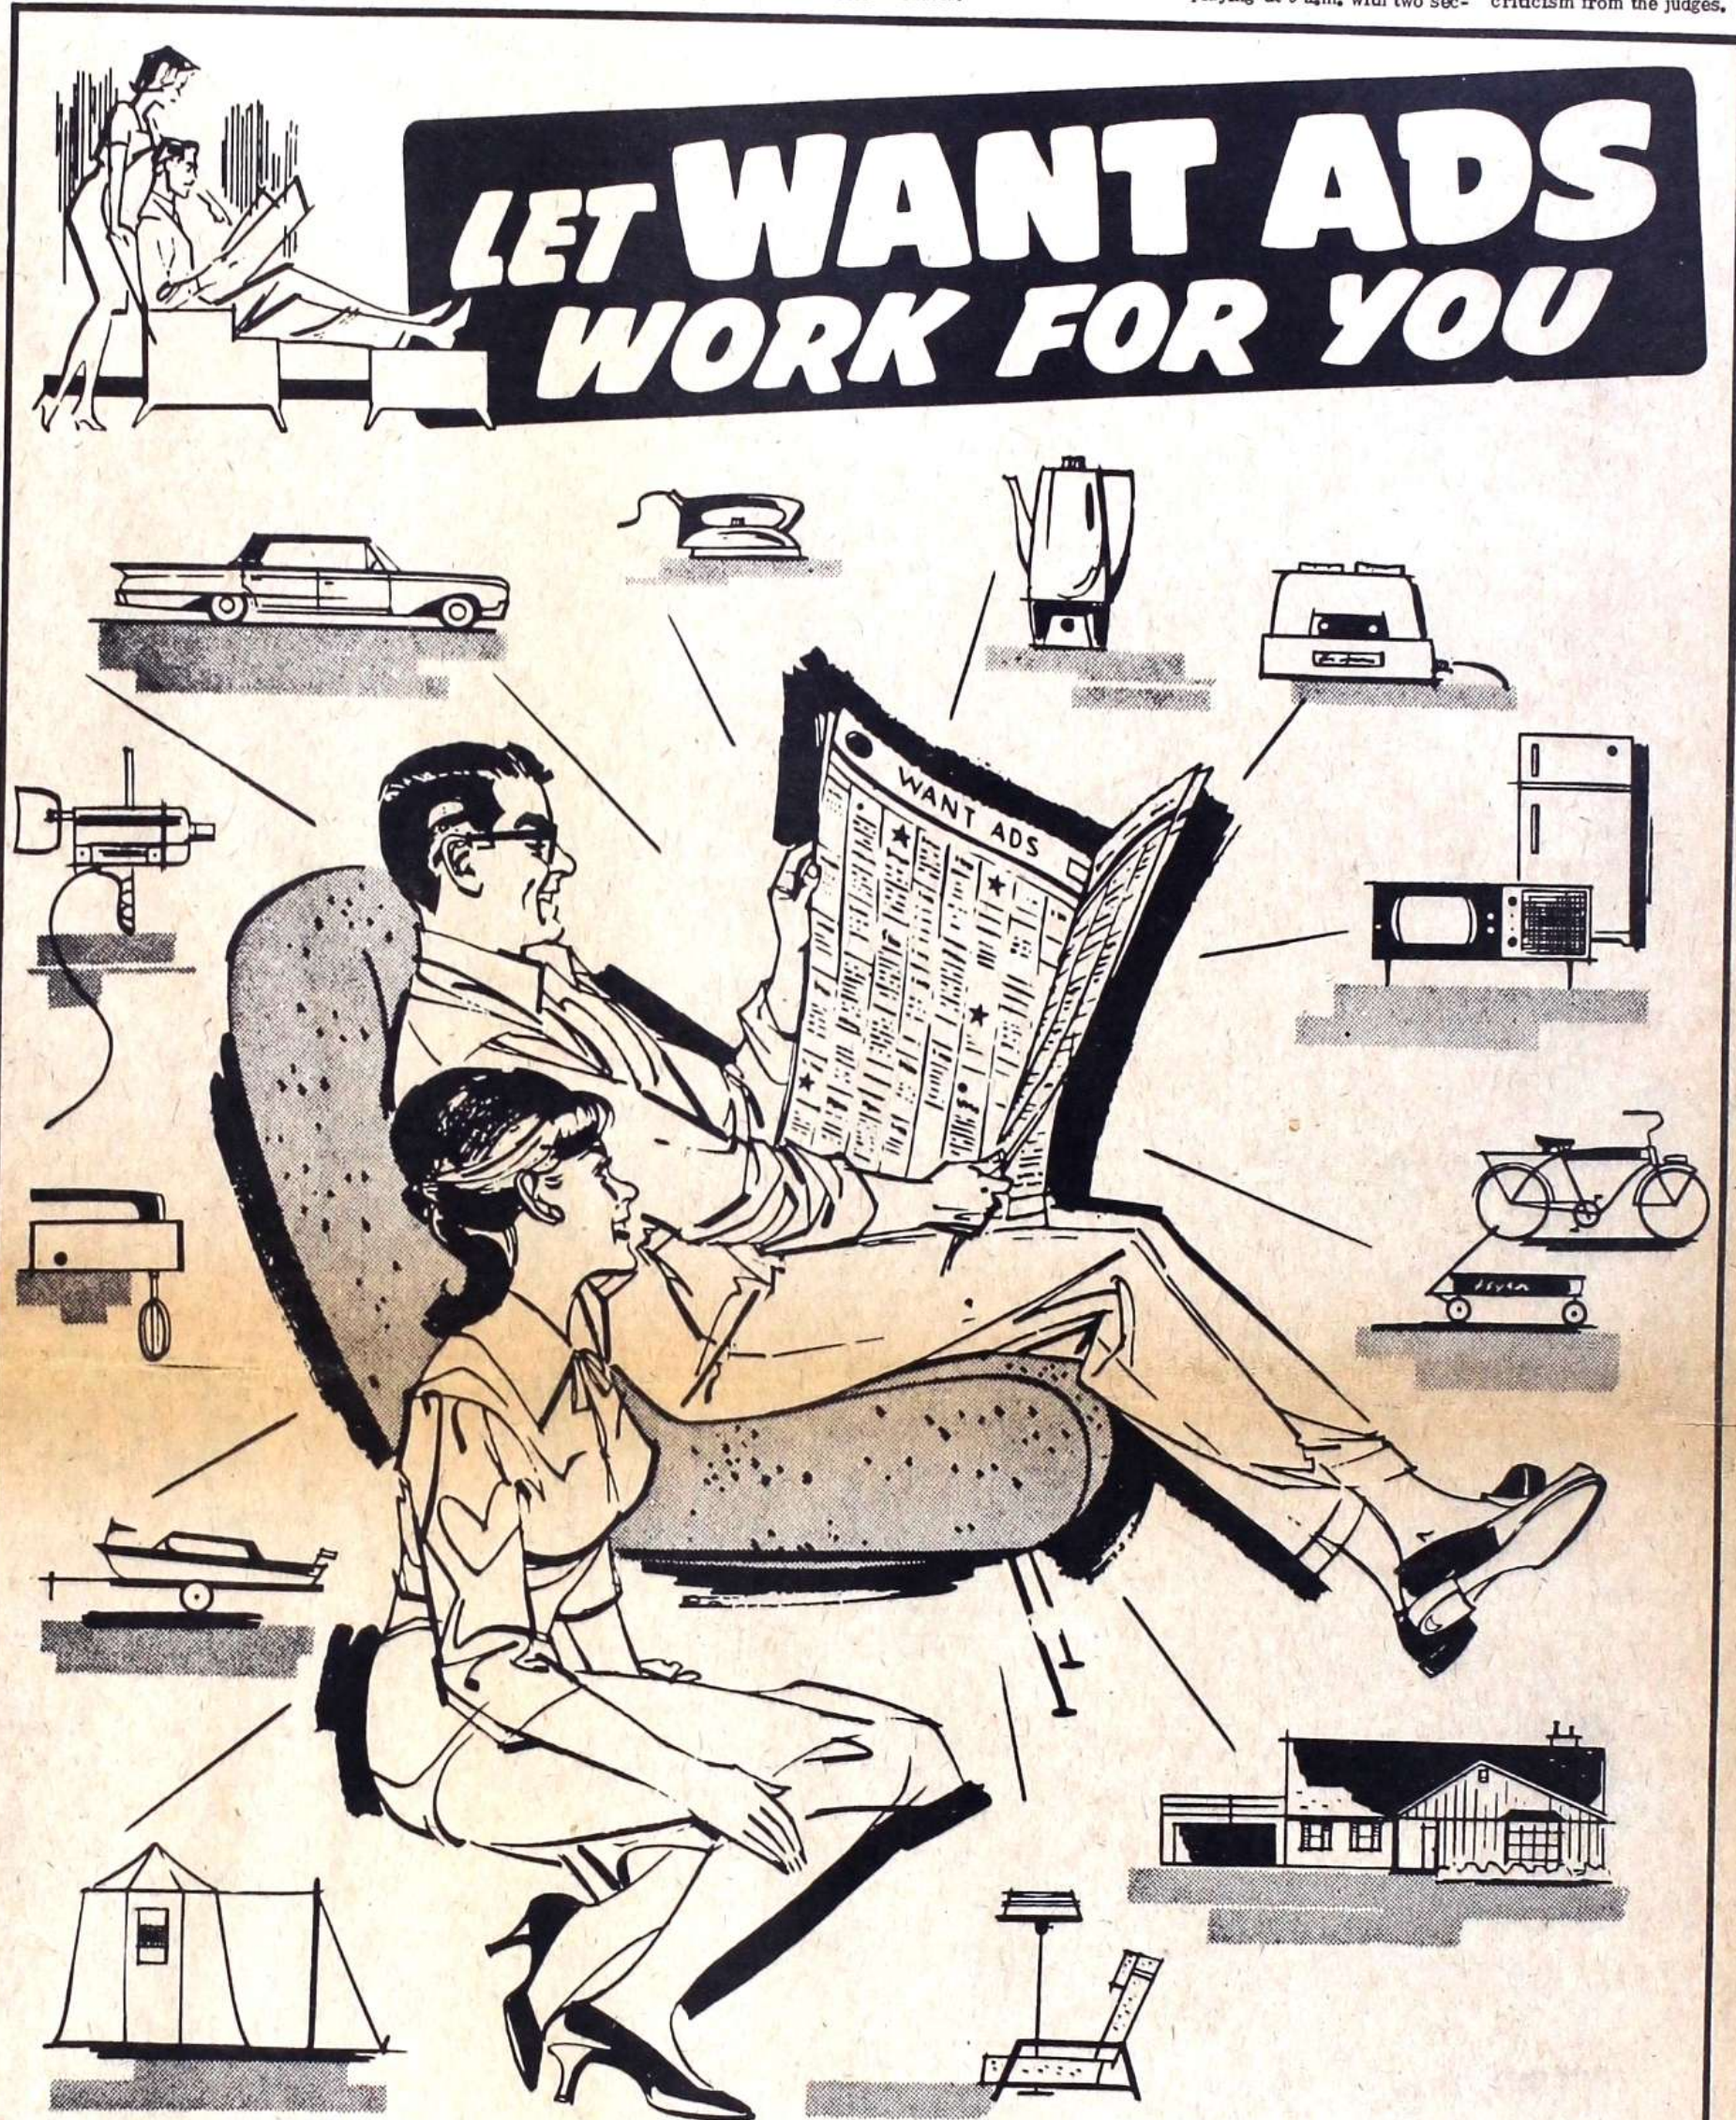

Ensembles At Festival

YPSILANTI -- The annual String Ensemble Festival, sponsored by the Michigan Unit of the American String Teachers Association, was held at Eastern Michigan University Saturday (May 11). Ensembles from 13 public school systems will perform.

Thirty junior high and ten senior high school string ensembles including those from Belleville area schools begin playing at 9 a.m. with two sec-

tions running concurrently until 11:30.

Each ensemble played for five minutes, then received three minutes of verbal criticism from clinicians. These include Louis Potter, cellist, and Lyman Bodman, violist, both faculty members at Michigan State University. A total of 160 young musicians heard all the performances and the constructive criticism from the judges.

Youngsters Awaiting Village Fair

DEARBORN--The farm boy of a century ago waited all year for the country fair so he could show off his prize cow, with hopes of winning a blue ribbon. Today's youngsters in the southeast Michigan and northern Ohio area wait all year for the Country Fair of Yesteryear at Greenfield Village.

They too hope for a blue ribbon, but not for their cows, rather for their home art and hobby achievements. The three-day Fair begins May 23 and continues through May 25. It features many of the activities that a country fair offered 100 years ago. It will have parades, games, display tents, demonstrations of unusual crafts, entertainment and, of course, animals.

CITY CHILDREN will have a chance to see those farm animals that were almost personal friends of the farm boy of long ago. Along with seeing the rabbits, goats, cows, geese, chickens and other creatures, those at the Greenfield Village Fair can watch sheep being sheared and hear a mule bray. Country Fair time also marks the start of a summer-long series of trips around a small lagoon by the Village's Mississippi sternwheel steamboat "Suwanee." Skillful players in the games tent and winners of various types of foot races will capture tickets for free rides on that boat.

Greenfield Village's Country Fair of Yesteryear offers much of interest to people of every age, but it is sure to be a time that youngsters feel is all their own.

Tour of Hospital Unit is Scheduled

The Hawthorne - Northville Chapter of the Michigan Association for Emotionally Disturbed Children will hold a "Tour

of the Adolescent Unit - Northville Hospital" on Wednesday, May 22. The tour starts promptly at 8 p.m.

Host for the evening will be E. Gordon Yudashkin, M. D., medical superintendent of Northville State Hospital, who will describe and answer questions about the Adolescent Unit.

The best way to personally show our gratitude for the sacrifices of our disabled veterans is to buy a Buddy Poppy.

HAPPY CHAMPIONS--The bowling group above are the 1968 Bowling Champions of Thursday Night Junior House League at Lodge Lanes. Left to right are Jerry Cramer, Charles "Bud" Krause, Raymond Wood and Lynn Carnill. We think their happy smiling faces adequately tell the story of their victory.

Nature Center Open; Rosebuds Bloom

BELLEVILLE--The seasonal nature center at Lower Huron Metropolitan Park is now open on week-ends and the colorful rosebuds are in bloom along the parkway.

The flowering Redbud, white Dogwood, Juneberry trees and various wildflowers are also in bloom throughout the park and along the park's nature trails.

Visitors may observe these colorful shrubs while driving through the scenic park along Metropolitan Parkway from Hannan Road to Walz Road within the 1,000 acre site. The picturesque flowers should remain in bloom through Sunday, June 19, or longer.

One of the popular attractions at the park this time of year is the seasonal nature center. Several exhibits of natural science are on display. Children especially like to feel the animal pelts of stuffed species and to play the matching games whereby they try to identify the correct name with the appropriate picture of various animals or wildlife.

NATURE CENTER hours are 10 a.m. to 5 p.m. on Saturday and Sunday. The same hours will be in effect during the four-day Memorial Day week-

end and daily during the summer months starting June 8.

The Paw Paw and Bob White nature trails are open for self-guided hikes and wildlife is labeled for easy identification.

A map showing the location of the nature trails and facilities is available without charge by writing to LOWER HURON PARK MAP, in care of The

Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit, Mich. 48226 or phoning WO 1-6865.

Over 78,400 persons have visited the nature center at Lower Huron Metropolitan Park since it opened in the spring of 1963, with over 21,600 visitors during 1967 from May through October.

Schedules Assembly

DETROIT--The General Assembly of the Southeast Michigan Council of Governments (SEMCOG) will meet at 9:30 a.m. Saturday May 18 in the Rackham Building, 100 Farnsworth.

Both delegates and their alternates from the communities and school districts which have joined SEMCOG were urged by Chairman William Mainland, of Milford Township, to attend. Non-member communities were invited to send observers.

SEMCOG is a voluntary association of units of government in the seven counties of Southeast Michigan (Wayne, Oakland, Macomb, St. Clair, Livingston, Washtenaw and Monroe). Their purpose is to develop programs of coopera-

tive action to cope with mutual problems.

At the May 18 meeting, members will elect four associate chairmen, will consider amendments to by-laws and will receive reports and recommendations relative to organization and operation. Mainland said, SEMCOG was organized in January to fill the role of the disbanded Detroit Metropolitan Area Regional Planning Commission. Robert Turner, former city manager of Burbank, California, was named executive director and assumed this post April 1.

Functions of the Detroit Metropolitan Area Regional Planning Commission are continuing as the Planning Division of SEMCOG.

Professional golfer Arnold Palmer tested the Bolens Husky on the toughest proving ground he knows... the golf course near his home at Latrobe, Pennsylvania. The Husky met the challenge head-on. It cut a close 42-inch swath through the fine and coarse textured grass. Clung stubbornly to steep sided hills, steered easily, braked firmly. Mowed an acre and a half in 56 minutes flat! The Bolens Husky wasn't built specifically for golf courses. The Husky was designed and engineered to perform your lawn and garden projects. See it. Ask to test ride it. It should convince you easily... it did Arnold Palmer. And he's no amateur. Many models to choose from: 7 to 12 1/2 Horsepower with Bolens Extras that you don't pay extra for: • Fast-Switch Power-lock Hitch • PTO (no belt) Drive • Controlled Differential • 2 Speed Ranges (Infinite on Husky 1250) • Equipped to handle full range of year round attachments Arnold Palmer test-rides the BOLENS Husky  **BOLENS** NAGY IMPLEMENT SALES 19162 Huron River Dr., New Boston PLaza 3-3181

NEW OFFICE SECRETARY -- Ted F. Kuckelman, executive director of Belleville Area Chamber of Commerce dictates to office secretary, Miss Vickie Harris of 8701 Belleville Road, a Belleville High School junior. Miss Harris was selected (after interviews) from the Co-Op Program (co-operate training program) of the high school under which students are given an opportunity (when qualifying) to work with employers at tasks best suited for them. She is an A-1 student and is the first to fill in on the newly created position.

High School's Spring Concert is May 21

BELLEVILLE -- The Belleville High School Orchestra will present its annual Spring Concert on Tuesday, May 21, at 8 p.m., in the Boys' Gym at the High School. Mrs. Helen Joseph is orchestra director. A program of varying interests has been planned for this evening of enjoyment. It will open with the exciting Entrance of the Sirdar from the "Caucasian Sketches" by Iwanow and will be followed by Vivaldi's Concerto Grosso, Mancini's Sweetheart Tree with Jack Keelan playing the cornet solo, Perpetual Motion, featuring the violins. The Finale from Haydn's London Symphony will conclude the concert. In the second part Prima Sotomayor will play the Viola Concerto in G by Telemann with the string orchestra. Romance, a lovely string quartet, by Mendelssohn will be performed by violinists Donald Stabenow and Richard Riggs, violist Karen Gattis, cellist Cynthia Wojtowicz, Susan Guisasaolo and Johanne Cash are the flute players in a Boccherini quintet, with Richard Riggs, Kathy Towler, Prima Sotomayor and Dianne Sotomayor forming a string quartet. The program will end with the full orchestra playing highlights from Carousel. Mrs. Helen Joseph conducts the orchestra. Tickets may be obtained from any orchestra member, or at the door and are seventy-five cents for adults and fifty cents for students. A reception honoring the seniors will follow the concert. Everyone is invited. Munitions used in the American Revolution were made at Ringwood, N.J.

Kuckelman Addresses Rotarians

BELLEVILLE -- An extemporaneous address on the history, purposes and aims of the Chamber of Commerce was presented last Tuesday, (May 6) before Belleville Rotary Club.

Some 60 Rotarians and their guests heard Ted F. Kuckelman, executive director of the Belleville Area Chamber of Commerce, relate what the Chamber of Commerce means to the area, its businesses and what it can do with community-wide cooperation.

At the conclusion of his comments, Rotarians gave Kuckelman a "standing ovation." He cited the national history of the United States Chamber of Commerce now with 4,500 chapters and a membership of 4,900,000. The oldest chapter being that of New York City which is celebrating its 100th Birthday this year.

Kuckelman told his listeners that the local chamber has at present 72 members and its projected quota is 100 members by 1970.

He said that being a member of your local Chamber of Commerce is a deductible item (Federal Income Tax) as a business expense. He added that billions of dollars go to Uncle Sam from the State of Michigan with approximately 4.9 per cent returning in various ways back to the state.

Membership in your local Chamber of Commerce bring in a bigger return for every dollar invested in it, he emphasized.

AF Graduate

NEW BOSTON -- Airman Eugene J. Cole, son of Mr. and Mrs. Robert J. Cole of 28947 Grit road, has been graduated from a U. S. Air Force technical school at Lowry AFB, Colo.

He was trained as a photographic specialist and has been assigned to a unit of the U. S. Air Forces in Europe at Alconbury RAF Station, England. The Airman is a 1966 graduate of Huron High School.

Airman Aids Vietnam Wing Win Trophy

CARLETON -- Airman First Class Thomas W. Marcero, son of Mr. and Mrs. Miles C. Marcero of 2700 Labo Road, is a member of the F-100 Super Sabre wing at Phan Rang AB, Vietnam, that has been selected as having the best maintenance complex in the U. S. Air Force.

Airman Marcero is a jet engine mechanic with the combat-proven Tactical Fighter Wing that has been named to receive the 1967 Daedalian Maintenance Trophy.

The award is presented annually to the organization chosen best by the Air Force Chief of Staff on the basis of maintenance effectiveness and efficiency in being operationally ready.

THE TROPHY was established by the Order of Daedalians, an organization founded by World War I pilots.

Wing personnel earlier won top honors for maintenance proficiency in the U. S. Seventh Air Force in Vietnam that led to similar recognition through-

out the Pacific Air Forces and were cited for their close teamwork in keeping three squadrons of the Phan Rang flying and of the supersonic jet fighter maintenance crews and support wing combat-ready around the personnel in diversified areas clock.

Group Organizes For Integration Of Neighborhoods

In a fight to prevent re-segregation and stop scare tactics of some Northwest Detroit real estate brokers, the Northwest Community Organization (NCO) is launching a door-to-door campaign called ACCESS in the Wicks area.

WICKS is a pseudonym for the Winship, Cerveny, King and Shulze school districts. The ACCESS program was launched by Protestant, Catholic and Jewish clergy and community leaders last fall. The main effort then was to seek cooperation from the United Northwestern Realty Association which represents 80-90 percent of real estate transactions in the Northwest area and all Northwest suburbs.

The canvass by some 215 volunteers begins the second phase of the program. The first phase is still underway in the Guest Community Council area where about 175 Guest area citizens have been canvassing their neighborhood. This week NCO's effort included the turning over of 1,000 names on Cease Solicitation petitions to 57 area real estate brokers.

Under the Detroit's Fair Neighborhood Practices Ordinance, it is unlawful for a broker to solicit a home owner the owner has requested him not to do so.

As a result of the campaign so far, over 700 Northwest homeowners in the Guest School area have pledged not to sell their homes through the United Northwestern Realty Association until the Association agrees to the requests being made by ACCESS.

ACCESS hopes to take undue pressures off the Northwest section by forcing the association to help "open up" the suburbs. Among the points ACCESS is asking are the following:

Include Negro brokers in the Association; advertise homes for sale in white areas in the black press as well as the white press; stop panic peddling; refuse discriminatory listings.

Part of the pledge area residents have been taking is to commit themselves to the concept of integrated living. Residents who must sell are encouraged to give preference to the Northwest Housing Service, a free listing service which attempts to counter-

balance discriminatory practices against whites in changing neighborhoods and thus to keep the area from becoming re-segregated.

Future plans for the Northwest Community Organization include the canvassing of at least three more areas with the ACCESS program. It is also attempting to establish itself along the line of change as a broad-based community organization with professional organizers dealing with many problems other than housing—crime, education, zoning, etc. A community organizer, Hank Lelaunin, has been hired.

NCO, through its ACCESS arm, is also seeking support from suburban and all white areas to begin a major campaign boycotting UNRA and making more direct attempts at developing "freedom of choice" in housing in all white areas of the city and suburbs.

According to Lelaunin, homeowners canvassed have been surprisingly enthusiastic about the community "doing something" to stop the real estate solicitation, to relieve the unnatural pressures on changing areas by opening up all white areas, and to work generally to build up our community.

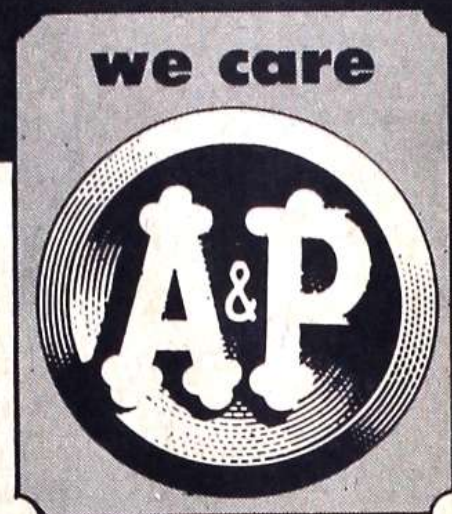

Canton Jaycees Install 7

The newly formed Canton Jaycees have installed their first slate of officers.

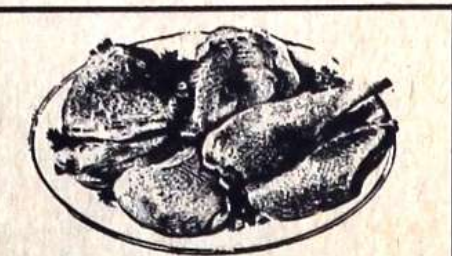

Pat Duggan, president of the Michigan Jaycees, and John Flodin, Canton Township clerk, were speakers at the Charter Night installation at the Sherwood Inn.

The group's first officers are: Raymond Deeds, president; Thomas Fellows, external vice president; David Wilkins, internal vice president; Ronald Bellaire, secretary; Keith Stevens, treasurer; and Donald Champagne and Michael MacArthur, directors.

Girl Scout News

Fireplaces at the Girl Scout camp are barely having a chance to cool off this spring before they're stoked up again for another Scout activity.

Camp Linden, near Linden, Michigan, has been in almost constant use all winter with Girl Scout troops camping in the winterized troop house and all four tent units there are scheduled for use every weekend until the resident camp opens in June.

The largest springtime activity to be held will be the Huron Valley Council's third annual Patrol Encampment for teen-aged Scouts May 17-19.

Two hundred and fifty girls and their leaders have registered for the event which will feature campfire programs, primitive camping, a wide game, flag ceremonies, forums and other special events.

The Patrol Encampment has been planned under the direction of Mrs. Sam Sekaros, 1215 Prescott, Ann Arbor, and has attracted Cadette and Senior Scouts from Washtenaw, Livingston and Wayne Counties.

"To the girls, the Patrol Encampment means fun, adventure, and a chance to make new friends," says Mrs. Sekaros. "But we adults know that it's much more than that. Camping together this way gives girls a chance to learn responsibility and resourcefulness and to broaden their outlook."

Girl Scout adults participating as troop advisers include Mrs. Patricia Price, of Belleville.

Cadette and Senior Scouts, who will serve as patrol leaders include Patricia Price of Belleville.

TIGER TALES

By Dena Rodenberg

The new varsity and reserve cheerleading squads held their annual Tiger Rag Dance on May 7 from 8 to 11 p.m. in the cafeteria. The dance was a girl-ask-boy and casual dress affair.

Once again cheerleaders will be attending cheerleading camp this summer at Hartland, Michigan. The date is from June 25 to 28. Cheerleaders will hold a number of fund-raising activities trying to raise some money.

The orchestra extends an invitation to come to its Spring Concert, which will be held May 21, at 8:00 in the Boys' Gym.

The soloists are: Jack Keelan, playing a cornet solo, "Sweetheart Tree", accompanied by the orchestra; Mike Smerza, bass solo, with piano accompaniment; Joanne Cash and Suzanne Guisasa, flute duet, with string quartet; a string quartet, with Don Stabnau, Richard Riggs, Karen Gattis, Cynthia Wojtowicz.

The selections that will be played by the full orchestra are as follows: "Carousell," "Entrance of the Sirdar," "Perpetual Motion," "Samborina," "Two Canzanas" will be played by the string orchestra.

ONCE AGAIN BHS offers the Co-op Program. Co-op means a cooperative training program. This is when students attend school half day and work at a selected place. They have a chance to earn money while they learn. If they plan on going into a job when they graduate, this course will be of value to them. Like any other classes, they receive a grade for their work. Students who participate in this program, however, have to be able to provide their own transportation. If they do their work well, sometimes the employers will give the student a steady job.

Students who participated had

to fill out an application form and then have three teachers' recommendations. The next step was to be interviewed by Mrs. Janet Linn and Mr. Dean Payne. They then were placed into the occupation best suited for them.

The following students were tentatively accepted: Sandra Armstrong, Sharron Arrick, Brenda Brown, Barbara Dobbs, Delores Dowdy, Vickie Harris, Toni McCormack, Beverly Muse, Wellinda Plymale, Marilyn Reese, Sharon Scheffler and Kathleen Rork.

ALSO THERE is distribution, in which students sell directly to consumers. Those accepted in this field are: Rita Bogedien, Ken Burchwell, Colin Eagle, Tim Fitzhugh, Gale Folks, Judy Jenkins, Derrick Kerby, Paulette McLaughlin, Pete Mendis, Karen Oberdork, Paul Peters, Laura Rice, Kathy Thomas and Suzanne Warren.

If you are a sophomore you can start looking forward to applying for Co-op in your junior year.

The Detroit News and M.L.E.S. sponsored the Michigan Industrial Educational Awards Program. There were twenty-five entries from BHS and 50 percent received recognition. The purpose of this contest was to encourage junior and senior high school students. Students who won first and second place in the regional contest were eligible to enter the state contest.

To be eligible to enter, students had to be in grades 7-12 and enrolled in an industrial education course. The student also had to do this project under one main division, but could enter as many other divisions as they wanted. If a student entered two different divisions he could still win awards in both divisions. Each student had to have his entry delivered to avoid excessive handling and shipping.

THE CONTEST had thirteen divisions in which boys could have entered. The thirteen divisions are as follows: Architectural Drawing, Electrical, Graphic Arts, Group Project, Machine Shop, Mechanical Drawing, Models, Open Division, Patternmaking and Molding, Plastics, Wood and Wrought Metal.

The following are the names of the students of BHS who in some way received recognition: Robert Brooks (10), honorable mention; Dennis Chle (10), second place; Robert Stabnau (10), first place; Chuck Weber (10), second place; Tom Matulewicz (10), honorable mention; Tom Price (10), honorable mention; Ken Miller (11), second place; Barry Kenyon (10), first place; and Jerry Cheek (10), second place; Dave Rayburn (10), third place; Dave Hendrix (10), honorable mention; Edward Gielinski (10), second place.

Forty journalism and TNT members left May 3 at 8:30 a.m. to attend the Michigan Interscholastic Press Association at the University of Michigan.

When they arrived all students were granted name tags which they were to wear. They received Michigan Interscholastic Press cards which showed that the staff is a member of this press association, which is sponsored by the Department of Journalism, University of Michigan.

John F. McDonald, MPA President, opened the program. Dr. Marvin L. Niehuss, Executive Vice President of the University of Michigan welcomed the students and advisers.

Morning classes met from 11:10 to 12:05 p.m. and afternoon classes met from 2:00 to 3:30. After the morning session they were released for lunch. There were nine classes from which they were able to choose the lecture they wished to hear in the morning and eight to choose from in the afternoon.

PRESENT AWARDS

Belleville High's Spring Band Concert is Saturday

BY PAULINE NOLFF

BELLEVILLE -- Are you tired, nervous, uneasy? Belleville High School is presenting a "perfect remedy." With the announcement of Belleville High School Spring Band Concert to be held this Saturday (May 18) at 8 p.m.

The repertoire includes Symphonic Movement by Nellybel, a bold piece of music that will keep you tied to your seat. Selections from Richard Roger's "Carousell" which will put you into a happy and carefree mood, and a special delight, a saxophone duet by Linda Allion and Dwight Patallo.

The R.L. Bird award, started in 1948, honors the late Mr. R.L. Bird, a former director of the Belleville High School Band. This award will be given to the outstanding senior student during the course of the evening.

ALSO TO BE presented is the Nicholas Falcone Service Award. This was originated last

year to honor Nicholas C. Falcone, who first organized the Belleville Band back in 1927. The Falcone Award is given to the graduating senior who has served most freely and given of his time and energy for the betterment of the band.

Recognition will also be given to the 17 graduating seniors. Under the direction of Edward Downing, the band will perform a variety of music that will prove

to be an excellent way to spend your Saturday evening. This being Downings last formal concert, won't you come and show your appreciation for his dedicated years of work to both the community and the band.

Refreshments will be served following the concert. Tickets, which are priced \$1 for adults and 75 cents for students, can be purchased at the door or from any band member.

JOIN CHAMBER MEMBERSHIP -- Belleville Area Chamber of Commerce accepted six new members. May 8 in a "re-emphasized" membership campaign under direction of the Chamber's new executive director Ted Kuckelman. Left to right (front row standing) are new members: Robert L. Brown, of Bud's TV & Radio Repair; Bill Bowles, of B & B Duraclean Company; Tom Hamlin, of Skyland Advertising; Eugene Mills, of Continental Barbers; and Joseph Kaspricz, of Belleville Home Bakery. Left to right (back row) are: Justin Emerson, Chamber president; George Rohler, member and sponsor; and Kuckelman. Left to right (sitting) are: Miss Barbara Rogalle, Chamber secretary and sponsor for Mrs. Ginger Domen, of Ginger's Beauty Shop.

Robert Lipe Assigned By Army

BELLEVILLE -- Private First Class Robert Lipe, 18, son of Mr. and Mrs. Robert Lipe of 11105 Borgman, has been assigned to Fort Dix, N.Y., his parents announced.

Pvt. Lipe, former student of Belleville High School, is attached to the United States Army Infantry.

Moose Lodge Notes

by George W. Steger

The Loyal Order of Moose, Belleville Lodge No. 934 was host on Saturday, May 11, for a Legion 105 Enrollment at the Belleville Moose Home.

A class of 22 were enrolled into the Legion of the Moose, Legion 105. This was a pick-up of candidates who have not been able to make the regular Sunday Enrollments.

Of the 22 enrolled, 12 of them were from Belleville Lodge. A delicious roast beef dinner was served from 5 to 7:30 p.m., and dancing enjoyed to a live band after the enrollment.

Tonight (Wednesday, May 15) there will be an officers' meeting at the Moose Home at 7 p.m.

Our next Enrollment will be held Saturday, June 8, at the Moose Home, let's try to have an outstanding class.

The first ball game scheduled between Belleville and Dearborn Heights was for Saturday May 11, but was called by Dearborn Heights.

When the ball season does get underway let's give our Belleville Team some encouragement by being in the cheering section whenever we can. Watch this paper for any special events or news.

The V.F.W. Buddy Poppy is assembled by disabled and needy veterans in hospitals throughout the United States. Funds raised through their sale by Veterans of Foreign Wars Post and Auxiliaries are used exclusively for aid to veterans and their dependents.

AIR MAIL PIONEERS - Not a scene from a Bonnie and Clyde movie, but rather a very serious group unloading an air mail carrier in 1927 under the watchful eyes of a postal security guard. This was a typical scene in the early days of air mail service when coast-to-coast air mail became a reality. Flights such as this pictured in this 40-year-old photograph connected at Cleveland with the Stout Air Services to bring air mail into Michigan.

Air Mail Service Marks '50th Year'

FIFTY YEARS AGO TODAY the U.S. Air Mail Service was born. It was during the peak of World War I, on May 15, 1918, that the first mail was flown from one city to another in the United States.

With the world embroiled in the great war, thoughts toward commercial aviation were almost non-existent. Development of aviation for civilian use was shelved for military projects and for many years to come. Only after Lindbergh's famous flight from New York to Paris in 1927 did our nation and public interest become aroused over the commercial uses of aviation.

Thus even though a new type of warfare in the skies over France was blazing in the headlines of the nation's press, a small group inaugurated the first air mail service. This first flight was scheduled to fly between Washington D.C. and New York City, with a stop over night at Philadelphia.

Piloted by U.S. Army pilots, Army planes, of that era, modified Curtiss JN-4H bi-planes, known as "Jennies," were used to carry the world's first air mail. The military fleet was in charge of a Major R.H. Fleet who later was to become well known for other feats in aviation.

The official inauguration ceremonies were witnessed by President Woodrow Wilson and other dignitaries among whom were, the first Assistant Postmaster in charge of air mail, Otto Praeger, M.O. Chance, postmaster of Washington D.C., and the Postmaster General in 1918, A.L. Burleson.

The first air mail flight, like most inaugural events, was not without incidents. The pilot assigned to fly the first flight was Lt. George Boyle with a gross load of about 150 pounds of mail. Eager to get started on this historic flight Lt. Boyle stepped into the open cockpit of the Jennie Biplane, adjusted his helmet and goggles, and called for the mechanics to start the engine.

With loud gasping and coughing the engine

started and as Lt. Boyle started to roll out the engine gasped and stopped.

It was soon discovered that with the excitement of hectic preparations and eventful day, no one had put gas into the tanks of the airplane. However this incident did not end the woes of Lt. Boyle. After being enroute for some time and flying with almost non-existent navigation aids, the young army pilot became lost and made a forced landing on a farm yard in Maryland.

In the forced landing the propeller of the airplane was smashed and the air mail had to sit until the next day when another Army pilot, Lt. H.P. Culver, picked it up and flew it on to Philadelphia and New York. However similar relays were soon flying without too many problems and on one such relay two other Army pilots, Lts. Torrey Webb and James Edgarton flew the air mail on the 218 mile distance from Washington, D.C. to New York in a record (for that day) 3 hrs. and 20 mins.

By late summer of the same year the Post Office Department began taking over the routes from the Army and also began establishing new routes. Soon after the end of World War I new and stronger aircraft were put into operation by the postal service with availability of the war surplus DeHavilland DH-4. Powered with the famous 420 h.p. Liberty engine the DH-4 could carry a payload far exceeding that of the Jennie JN-4 and were used on air mail routes throughout the U.S. for years to come.

Today 50 years later, air mail service blankets every corner of the earth in a matter of hours rather than days. For many years air mail contracts have been let to major air carriers who carry mail and cargo around the world.

The advancement and progress of aviation in this new era of the jet age is very evident with this comparison as tribute. . . the same route from Washington, D.C. to New York City, a distance of 218 air miles, in 3 hrs. and 20 mins. in 1918, is flown by the average jet today in . . . about 23 minutes.

Thats really "carrying the mail."

IT'S TIME! FURNACE CLEANING

In the Service

FORT WOLTERS, TEX. - Major George A. May, son of Ernest A. May, 38031 Hixford Place, Wayne, has arrived for duty at the Army Primary Helicopter Center.

The 33-year-old Army aviator came to Fort Wolters from his second tour in Vietnam where he served with the 16th Aviation Group.

His decorations include the Silver Star, the Bronze Star Medal, the Army Commendation Medal, the Air Medal, and the Purple Heart. He also

wears the Combat Infantryman's Badge and jump wings.

He has also served overseas in Japan, Korea, and Hawaii since entering the Army in May 1948.

His wife, Margie, and their two children live at 6500 Auburnhill, Austin, Tex.

FT. KNOX, KY. - Army Private Clifford W. Mills is assigned to Company E, 16th Battalion, 4th Brigade, here in the United States Army Training Center, Armor.

Following the completion of basic training, Pvt. Mills who is the son of Mr. and Mrs. Alvin R. Mills 5736 Wayne Rd., Westland, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

INKSTER - Army Pvt. William H. Dixon, 24, son of Mr. and Mrs. Francis Dixon, 3916 Lovett, Inkster, completed advanced training as a combat engineer at Ft. Leonard Wood, Mo. His wife, Ruth, lives in Detroit.

In the Service

FT. KNOX, KY. - Army Pvt. James Douglas Turner has been assigned to Company E, 16th Battalion, of the 4th Basic Combat Training Brigade, here in the United States Army Training Center, Armor, for his initial eight weeks of military training.

He will spend the next two months learning all the fundamental skills of a soldier and will fire more than 500 rounds of live ammunition under simulated combat situations, including those encountered at night, during a three-week course with the soldier's basic weapon - the M14 rifle.

Following completion of his basic training, Pvt. Turner, who is the son of Mr. and Mrs. Othel Turner, of 26239 Plumb, Inkster, will receive at least an additional eight weeks of either advanced instruction or on the job training to qualify him in a specialized military skill.

INKSTER - Army Corporal Terrance L. Esselmacher, 25, son of Leonard L. Esselmacher, of 26453 Standford, Inkster, was assigned as an artilleryman with the 199th Infantry Brigade near Long Binh, Vietnam. His wife, LeVina, lives in Port Huron.

INKSTER - Four Inkster men have been assigned as Army privates at Fort Knox, Ky., in the U.S. Army Training Center, Armor, where they will receive eight weeks of training as members of Company E, 16th Battalion, 4th Brigade.

They are: Eugene M. Douglas, son of Mr. and Mrs. Eddie Morgan, of 26941 Penn; Robin A. Ruelle, son of Mr. and Mrs. Joseph F. Ruelle, of 1749 Lexington; Charles W. Hill, son of Charles W. Hill, of 4112 Wayland, and Mrs. Willie A. Hill, of 3281 Hickory; and James D. Johnston, son of Mr. and Mrs. Alfred Johnston, of 1281 Colonial.

FT. KNOX, KY. - Army Private Billy R. Reed is assigned to Company E, 16th Battalion, 4th Brigade, here in the United States Army Training Center, Armor.

Following completion of basic training, Pvt. Reed who is the son of Calvin C. Reed, 32456 Lenawee, Westland, and Mrs. Vera Reed, 36330 Palmer Rd., Westland, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

ORDINANCE NO. 61-44-67

AN ORDINANCE TO AMEND ORDINANCE NO. 61-44, BY AMENDING SECTION 12.03

THE TOWNSHIP OF ROMULUS ORDAINS:

PART I. That Ordinance 61-44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by amending Section 12.03 to read as follows:

Section 12.03. MINIMUM STANDARDS AND REQUIREMENTS. Each Mobile Home and Trailer Coach Park shall be subject to and shall comply with the following standards and requirements:

(A) Romulus Township Building Code, Plumbing Code, Electrical Code, Heating Code and Housing Code and such other Township regulations that reflect the well being of the persons living in a Mobile Home Park.

(B) General Rules and Regulations.

(1) All mobile home parks shall comply with Act 243 of Michigan Public Acts of 1959, as amended, it being the Trailer Coach Park Act.

(2) All mobile home parks shall have access to and have not less than four hundred (400) feet of frontage upon a County Primary Road having not less than one hundred twenty (120) feet of right-of-way.

(3) The parcel of land being proposed for a mobile home park shall provide for a minimum of fifty (50) lots, and not less than fifty (50) spaces shall be completed and ready for use before an occupancy permit may be issued.

(4) An open area shall be provided on each mobile home lot to avoid undue congestion, to provide adequate light and ventilation, and to provide for outdoor uses essential to a mobile home. Each mobile home lot shall be not less than three thousand two hundred (3,200) square feet in area. All mobile home lots shall be computed exclusive of area allotted to roads, park facilities, boundary greenbelt area and recreation space. Each mobile home lot shall be occupied by only one (1) mobile home.

(5) All mobile home units shall be self contained and be provided with individual underground connections to water, sewer, gas, electricity, telephone and television.

All mobile homes shall have hitches and tongues removed within thirty (30) days after occupancy. Normally, such hitches may be ordered from factory with removable plates.

Meters and outlets shall be arranged in a uniform manner throughout the park. No outside storage of gas or other fuel tanks shall be allowed.

(6) Yard Requirements. The side yard on the non-entry side shall be not less than four (4) feet in width. The sum of the side yards at the entry side and non-entry side of a mobile home stand shall be not less than twenty-four (24) feet. There shall be a rear yard of not less than ten (10) feet at the rear end of the stand and a front yard of not less than ten (10) feet at the front end of the mobile home stand. For irregularly shaped side yards, the sum is determined by the sum of the average width of such side yard, provided that the required minimums above are maintained at all points in the side yard. Screened areas as provided in paragraph (10) below shall not be included as yard space.

(7) Location of Mobile Home, Set Back. No mobile home shall be located closer than fifty (50) feet to the right-of-way line of a one hundred twenty (120) foot public highway, or twenty (20) feet to the mobile home park property line.

(8) Parking. Paved vehicle parking spaces shall be provided at the rate of two (2) car spaces for each mobile home lot.

(9) Stand Requirements for Lots. Each mobile home lot shall be provided with a stand of reinforced 3000 pound concrete at least four (4) inches thick, which shall extend one (1) foot beyond the exterior sides of the mobile home, plus a patio area. A patio shall be provided and shall have a minimum area of one hundred eighty (180) square feet, shall be conveniently located to the entrance of the mobile home, appropriately related to the open areas of the lot and other facilities related to existing or anticipated mobile home models and shall be at the same elevation as the mobile home stand.

(10) Enclosure Regulations.

(a) Permits - A building permit as may be issued by the Romulus Building Department, shall be required for additions to a mobile home which exceeds \$50.00 in cost; however, no permit shall be required for an awning when there is no enclosure on the sides.

(b) Skirting - Every occupied mobile home shall be provided with a uniform type of metal skirting which shall not be more than twenty-six (26) gauge, and which shall be installed within sixty (60) days after occupancy.

(c) A uniform type of canopy or awning may be installed and attached to a mobile home for recreation and sunroom purposes, when placed on a concrete pad which shall extend one (1) foot beyond enclosed area. Such enclosure may be screened or glassed in, but it shall not exceed twelve (12) feet in width, nor shall it exceed the length of the mobile home. Such an enclosure shall not be used as a bedroom or for sleeping quarters.

(d) A uniform type of storage space consisting of one (1) metal six (6) foot by seven (7) foot utility cabinet may be installed.

Each mobile home shall be jacked upon a uniform jack or block.

(11) Occupancy. Mobile homes shall not be occupied by persons other than the owner or persons of his immediate family. The trailer "Owner" shall include purchasers of such mobile homes on a time payment plan, but shall not include a tenant or lessee thereof.

(12) Street System Requirements. Streets shall be provided on the site where necessary to furnish principal traffic ways for convenient access to the mobile home site, and other important facilities on the property. The street system shall provide convenient circulation by means of minor streets. Closed ends of dead-end streets shall be provided with a turning circle of not less than sixty (60) feet outside radius.

The street right-of-way shall be of adequate width to accommodate the contemplated width of pavement, sidewalk, and planting strips, but shall not be less than sixty (60) feet for collector streets and not less than fifty (50) feet for minor or secondary streets. Streets shall be paved with a hard dust free material.

The principal entrance to a mobile home park shall be a boulevard type street consisting of two (2) divided traffic lanes, each lane being not less than twenty (20) feet in width and total right-of-way width of not less than eighty (80) feet.

PAVEMENT WIDTHS

Collector streets shall be provided with two (2) traffic lanes, each not less than eleven (11) feet

in width, with an eight (8) foot parking strip on both sides.

Secondary streets shall be provided with two (2) traffic lanes each not less than ten (10) feet in width with an eight (8) foot parking strip on both sides.

Curbing shall be required, provided, however, the Planning Commission may approve plans without curbs where such plans show other adequate means for the control of surface drainage, protection of the edges of the pavement and the roadway shoulder, and for the prevention of erosion along the shoulder and the berm of the roadway.

All streets and appurtenant structures shall comply with the standards as required by the Township.

(13) Walk System Requirements. The mobile home park walk system shall be not less than three (3) feet wide and not less than four (4) inches thick. Walks from each mobile home entrance to facilities on the lot and connections to the primary walk system, shall be not less than thirty (30) inches wide and not less than four (4) inches thick. All walks shall consist of 3,000 pound concrete.

(14) Electric Wiring, Etc. Regulations. All electric lines to each mobile home stand, shall be underground, and shall be provided with a three (3) wire balanced 115-230 volt supply. When separate meters are installed, each meter shall be located on a uniform standard post adjacent to each mobile home stand. Wiring shall comply with the Local Utility's rules for service to mobile home parks as filed with the Michigan Public Service Commission. A copy of which is on file in the office of the Township Clerk for public inspection.

(15) Recreational Area. In addition to yard requirements, there shall be provided an area of not less than one hundred (100) square feet for recreation, for each mobile home lot in the said park, with a minimum area of not less than five thousand (5,000) square feet, which park area shall be no longer than two (2) times its width. Such area shall be developed and maintained by the owner or operator of said park so as to provide suitable healthful recreation for the occupants of the mobile home park.

(16) Greenbelt Planting Strip. A greenbelt planting strip, not less than twenty (20) feet in width, shall be located and continually maintained along the exterior boundary lot lines. Such greenbelt shall be composed of one (1) row of deciduous and/or evergreen trees, spaced not more than forty (40) feet apart and not less than two (2) rows of shrubs, spaced not more than eight (8) feet apart and which will have grown at least to a height of five (5) feet or more after one (1) full growing season and which shrubs will eventually grow to a height of not less than twelve (12) feet.

(17) Park Maintenance. Each mobile home site shall be seeded or sodded and have a good stand of grass before occupancy. The entire mobile home park shall be maintained in a neat, clean and presentable condition at all times.

(18) Business Operations Prohibited. Exception. No business of any kind shall be conducted in any mobile home, or in other structures or on the premises of the mobile home park, except the normal business of management of the park itself and such other accessory retail sales for the sole use of the tenants of mobile home park.

(19) Lighting. Street and yard lights, sufficient in number and intensity of not less than an average of one-half (0.5) foot candles to permit the safe movement of vehicles and pedestrians at night, shall be provided and shall be effectively related to buildings, trees, walks, steps and ramps.

(20) Prohibition of Storage. Mobile Home Maintenance. There shall be no storage underneath any mobile home and each lot shall be maintained in a clean, neat and presentable condition at all times.

(21) Fences. Any individual mobile home lot line fence, if allowed by Mobile Home Park Operator, shall be uniform in height, shall not exceed thirty (30) inches in height, and shall be constructed in such a manner as to provide firemen access to all sides of each mobile home. No fence shall be located within the front yard.

(22) Drainage. The grounds of the mobile home park shall be graded to drain so that surface water will not stand in puddles.

(23) Occupancy Load. The occupancy load of any mobile home shall be limited to provide no less than three hundred (300) cubic feet of air space per occupant, exclusive of the cubic air space of toilet rooms and closets.

(24) Laundry Facilities. Laundry facilities, either coin operated or otherwise, shall be provided in sufficient number to provide for reasonable use by occupants of mobile home park. Outdoor drying shall not be permitted.

(25) Garbage and Rubbish Storage. Each mobile home shall be provided with two (2) fly-proof and water tight, twenty gallon metal containers; one container for rubbish and one container for garbage. All garbage and trash shall be collected weekly.

(26) Fire hydrants of a size and pressure as used by the Township of Romulus shall be installed within the mobile home park so that no mobile home shall be located more than six hundred (600) feet from any fire hydrant or as approved by the Township Engineer.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of an Ordinance in conflict herewith is hereby repealed.

PART III. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Romulus and are hereby ordered to be given immediate effect and be in force from and after the earliest date allowed by law, and this Ordinance is hereby ordered to be published in the manner prescribed by law.

STATE OF MICHIGAN }
COUNTY OF WAYNE } SS.

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Romulus, at a regular meeting held on May 6, 1968.

ALFRED J. PERRY,
Township Clerk

Van Buren Township Board Minutes

MINUTES OF THE REGULAR MEETING OF THE ROMULUS TOWNSHIP BOARD HELD ON MAY 6, 1968.

Meeting called to order at 8:02 P.M.

ROLL CALL: Present: Bizzek, Perry, Wallis, Stewart, Pennington, Wegienka.

ABSENT: Excused, Rasperry.

Motion by Stewart, supported by Wegienka, to approve the Agenda, as amended. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to approve the minutes of the Regular Township Board Meeting of April 16, 1968, as published. Motion carried unanimously.

Motion by Wallis, supported by Wegienka, to approve the minutes of the Special Township Board Meeting of April 16, 1968, as published. Motion carried unanimously.

Motion by Wallis, supported by Wegienka, to approve Mr. Trout's P.C.H.A. Report, as presented. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve Mr. Darnell's request for a V.F.W. Memorial Day Parade on May 30, 1968 at 9:00 A.M., starting at Five Points. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to approve Kopas Estates Sub-division, as recommended by the Planning Commission. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to adopt the appropriate Liquor Control Commission Resolution, relative to the transfer of ownership of a 1967-68 SDM License. Also, that a food license be granted to Mr. J. Crawford, new owner of the Polka Dot Inn, 37135 Goddard, on a 7 day basis, 8:30 A.M. to 10:00 P.M. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve Ord. #61-44-67, amending Ord. #61-44, Section 12.03, pertaining to Mobile Homes and Coach Parks. Motion carried unanimously.

Motion by Pennington, supported by Perry, to consider Mr. Roderick E. Smith's Insurance Policy Bid. Mr. Robert Smith, of Michigan Life Ins., is to be contacted relative to submitting his bid to the Township. Also, said bid to be presented at the May 21, 1968 Regular Board Meeting. Motion carried unanimously.

Motion by Perry, supported by Stewart, that Mr. Roderick Smith, be permitted his request to submit a competitive Pension Plan bid to the Township in the next five days. Motion carried unanimously.

OLD BUSINESS: Motion by Pennington supported by Wallis, to accept the recommendation of the Romulus Board of Education, and appoint Mr. James Foley, Mr. Stanley Gnas and Mrs. Tereatha Allen to the Romulus Township Recreation Commission for one year terms, effective immediately and expiring on April 30, 1969. Motion carried, Perry voting nay.

Motion by Wallis, supported by Pennington, that the lease between the Township of Romulus and Mrs. Gear, for the use of her building as Township Urban Renewal Office, be approved and the Supervisor and Clerk sign said lease. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to accept the low bid of \$2,798.00 from Atchinson Ford, provided it meets the required specifications for a new Police Dept. vehicle. Motion carried unanimously.

Motion by Wegienka, supported by the Pennington, to table any appointments to the Water Commission at this time. Roll call: Yes: Pennington, Wegienka. No: Perry, Stewart, Wallis, Bizzek. Motion to table failed.

Motion by Stewart, supported by Wegienka, to appoint Mr. John L. Johnson to a three year term on the Romulus Water Commission, said appointment effective immediately and expiring on April 30, 1971. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to accept, with regret, Mary De Young's resignation from the Romulus Water Commission, and a letter of commendation be sent. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to appoint Mr. Jo Jo Nehra, to the Romulus Water Commission, for a three year term, said term effective immediately and expiring on April 30, 1971. Roll call: Yes: Stewart, Pennington, Wegienka, Wallis. No: Perry, Bizzek. Motion carried.

Mr. J. Lovette and Miss Buckley were present, requesting the Township Board to pass an Ordinance establishing a Community Relations Commission, which would create a better relationship among various groups in the Township. After a lengthy discussion, a motion was made by Pennington, supported by Wallis, to take this matter under advisement and contact our legal staff for further direction, then the matter is to be taken up at a later date. Motion carried unanimously.

Motion by Pennington, supported by Stewart, that a joint meeting between the Township Board, Water Commission and our Auditor, be held on May 9, 1968 at 8:00 P.M. in the Water Board Building, to finalize the Sewer Dept. Budget. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, that the legality of demolishing the old tail building, behind the L. M. Variety Store, be turned over to our Legal Department for their direction. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, that the Board accept with regret the resignation of Mr. Charles Bradley, Jr., from the Township Recreation Commission, and a letter of commendation be sent. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to receive and file letters from the American La France Company. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to receive and file letters from the Beautification Council of Southeastern Michigan. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve vouchers #A-3047 thru #A-3088, inclusive. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to adjourn the meeting. Motion carried unanimously.

Meeting adjourned at 11:35 P.M.

Respectfully submitted,
Alfred J. Perry, Clerk
Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Township Board Meeting, held on May 6, 1968, in the Township Hall.

Alfred J. Perry, Clerk
Township of Romulus
Approved: Edmund Bizzek,
Supervisor

Thrift Shop Thanks Key Club for Clothing Drive

ROMULUS -- Folks of the Helping Hand Thrift Shop of Romulus Township are expressing their thanks to the Key Club of Romulus Senior High School for the clothing drive which they held recently for the Thrift Shop. The shop is located at 7335 Washington Street.

Special thanks goes to Conrad Painter, Bob Byrd, Mark Janek, Tom Janack and Steve Morgan, who were in charge of the drive, and brought the clothes to the shop. The clothing will be given to the needy who are referred to the shop through teachers, school nurses and other persons in authority. The Thrift Shop distributed 5,000 articles of clothing, household articles, toys, comic books, etc. from Sept. 1 through April 30.

THE SHOP was started a few years ago in this community and is staffed completely with volunteer workers. Mrs. Florence Klein is in charge. Persons having articles of clothing, furniture, etc., to donate may take them to the Thrift Shop any day of the week. The shop is open every Wednesday from 9 a.m. to 3 p.m. Persons having articles to give, but who cannot bring them in, can call

Mrs. Mabel Moore (941-3421) for pick-up.

Residents are also invited to give a block drive or card party, etc., to secure clothing for the project. Right now the shop is trying to help a family who lost everything they had through fire. Furniture and other articles are badly needed for them.

Things are especially needed now, the shop personnel states, in preparation for the reopening of school in September. They wish to thank everyone, at this time, who has contributed in the past.

Treasurers Elect Wallis

ROMULUS -- Joseph Wallis, treasurer of Romulus Township and member of the Township Board was elected president of the Wayne County Treasurers Association.

Wallis, who resides at 30001 Eureka Road, was vice-president of the Association prior to his election and has been a member since 1963.

The Association conducted its annual election during a meeting held at the Van Buren Township Hall.

Area Obituaries

OSTROWSKI, Paul, Sr., 58, 45665 Hull rd., Belleville, died May 10 in St. Joseph Hospital, Ann Arbor, following a lengthy illness. He was born Jan. 24, 1910, in Detroit, and was a member of St. Anthony's Church, the Sumpter Social Civic Club, and the P.N.A. Lodge.

He is survived by his wife, Helen; five children, Mrs. Pauline Conde, of Detroit; Paul, Jr. and Robert, of Belleville; Thomas, of Romulus; and David, of Belleville. He also leaves 10 grandchildren and seven brothers and sisters: Albert Ostrowski, Joseph Ostrowski, Mrs. Lucille Remus, Mrs. Celia Cebolski, Stanley Ostrowski, and Mrs. Helen Jaszcz, all of Belleville; and Vincent Ostrowski, of Ypsilanti.

Services were to be held today, Wednesday, May 15, at 11 a.m. from St. Anthony's Catholic Church. Rev. Albert J. Folta was to preside and burial was to be in Mt. Carmel Cemetery. Arrangements were by Roberts Bros. Funeral Home.

SANDERS, Eddie Arnold, 19, 47621 Hull rd., Belleville, died May 8 in Martin Place West Hospital, Detroit. He was born Nov. 27, 1948, in Ranger, W. Va.

Surviving are his parents, Herman and Easter Sanders; four brothers and sisters, Charlene, Holland, and Bonnie Lou, all at home; and Mrs. Phyllis Neale, of Melvindale. He also leaves his two grandmothers, Mrs. Leza McCoy, of Ranger, W. Va., and Mrs. Ida Jeffery,

of Branchland, W. Va. Services were held in Mc Ghee Funeral Home, West Hamlin, W. Va. Interment was in Sanders Cemetery, Lincoln County, W. Va. Local arrangements were by Roberts Bros. Funeral Home.

ENTWISTLE, Albert Ernest, 71, 11650 Butler rd., Willis, died suddenly May 11 in University of Michigan Hospital, Ann Arbor. A native of London, England, he was born Dec. 28, 1896, and had made his home with friends, John and Helen Pavlack, of Willis.

Services were held Tuesday, May 14, from St. Anthony's Catholic Church, the Rev. Albert J. Folta officiating. Burial was in Mt. Carmel Cemetery. Arrangements were by Roberts Bros. Funeral Home.

MATTHEWS, John H., 55, 15342 Thorne, Detroit, died May 6. He was a veteran of World War II and a member of the Loyal Order of Moose.

Surviving are his wife, Ila M., and daughters, Mrs. Mickie Lopota and Mrs. Irene Gnas, both of Romulus. He also leaves four grandchildren, one great-grandchild, a sister, Mrs. Alice Matthews and a brother, Coughlin Matthews, both of South Carolina.

Services were held in Greenwood, S. C., at the Blyth Funeral Home. Interment was in Edgewood Cemetery there. Local arrangements were by Baum Funeral Home.

ON JUNE 10

57 Candidates Qualify for Community College Election

Fifty-seven candidates have been certified by the Wayne County Intermediate Board of Education as qualified candidates for a June 10, 1968 Wayne County Community College Board of Trustees election.

The Wayne County Community College district has seven trustee-election districts. From each of these seven areas, one Board of Trustee member will be elected to the Wayne County Community College Board of Trustees.

The Wayne County Community College District includes the City of Detroit and 37 Wayne County School Districts.

The school districts of the City of Dearborn, Plymouth, Northville, Livonia, and Garden City are not participating in the June 10 Community College election, since these school districts are in the Henry Ford and Schoolcraft College areas.

THE JUNE 10, 1968 election provides a seven member Board of Trustees for eventual organization and operation of the Wayne County Community College.

The official list of qualified candidates for Wayne County Community College Board of Trustees District No. 7 are: Alvin R. Lemke, 104 Vincent Avenue, Inkster, Michigan. James Ross McCartney, 5683 N. Harvey Avenue, Westland, Michigan.

John C. Raeside, Sr., 16971 Woodworth Avenue, Detroit, Michigan.

John R. Ryan, 35755 Oakwood Lane, Westland, Michigan. Gerald F. Smith, 34150 Avondale Avenue, Westland, Michigan.

District 7 embraces the cities of Belleville, Dearborn Heights, Flat Rock, Gibraltar, Inkster, Rockwood, Wayne, Woodhaven; the Townships of Brownstown, Huron, Redford, Romulus, Sumpter, Taylor and Van Buren; and parts of Westland and Canton Township.

Pana, Ill., commercially grows roses.

Monkeys inhabit all tropical zones of all continents except Australia.

CITY OF BELLEVILLE COUNCIL PROCEEDINGS

REGULAR MEETING
MAY 6, 1968

A regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with councilmen Walters, Palmer, Boone and Amerman present.

Motion by Walters, seconded by Boone, that the minutes of the regular meeting held April 15, 1968 be approved. Carried unanimously.

Motion by Amerman, seconded by Boone, that the minutes of the Special meeting held April 29, 1968 be approved. Carried unanimously.

Motion by Boone, seconded by Amerman, that the City Treasurer's report for the month of March, 1968 be accepted. Carried unanimously.

Motion by Walters, seconded by Palmer, that the Public Hearing be set for May 20, 1968 for the 1968-69 Budget. Carried unanimously.

Motion by Walters, seconded by Palmer, that the letter from the Van Buren Babe Ruth League dated April 24, 1968 was read and taken under advisement. Carried unanimously.

Petitions were presented to the City Council from Mr. Robert Smrcka and Mr. Ernest Patke, signed by the property owners, requesting paving of the streets in the Huron Park Subdivision and the Huron Park #1 Subdivision.

Upon motion by Councilman Amerman, supported by Councilman Boone, that the following resolution was offered:

RESOLUTION

WHEREAS, there exists a need to construct a new storm sewer outlet in the area of Huron River drive and Liberty street; and

WHEREAS, the City and the Board of County Road Commissioners of the County of Wayne have discussed such storm sewer outlet and have agreed that the cost of the same would be shared by the City and the Board of County Road Commissioners of the County of Wayne, 60% of the cost to be paid by the County and 40% to be paid by the City; and

WHEREAS, the said Board of County Road Commissioners of the County of Wayne has submitted a plan and profile of the proposed Huron River Drive storm sewer outlet 132 feet East of Liberty Street, and the same being the County's File No. E-7-1; and

WHEREAS, the estimated cost of such project is \$14,313.75, NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Belleville does hereby approve the plan and profile of the said proposed Huron River Drive storm sewer outlet and the Mayor and the Clerk are authorized to execute said plan and for and on behalf of the City.

BE IT FURTHER RESOLVED, that the Council and the City of Belleville does hereby authorize the Board of County Road Commissioners of the County of Wayne to proceed with the taking of bids and construction of said project, provided, however, that the City reserves the right to reject any and all bids and to abandon the project if the bids for such work exceed \$15,000.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE.

Motion by Boone, seconded by Amerman, that the meeting be adjourned.

Carried unanimously.

IRWIN W. STECH,
City Clerk

State Provides Safeguards in Auto Deals

LANSING -- Does a Michigan citizen have any protection against being flim-flammed when he buys a car?

The answer is yes. A little publicized consumer protection activity program of the Michigan Department of State is its Auto Dealer Review Board which often takes disciplinary action against improper activities by certain unscrupulous auto dealers.

"We control dealers at two junctures," Secretary of State James M. Hare said. "We renew their licenses each year. And we have the option of bringing in for hearings dealers who may be guilty of violations against the buying public."

Nearly 200 cases were referred to the Dealer Record Review Board during the past fiscal year. Of these, 159 cases were referred for alleged violations of the vehicle code.

"Complaints from citizens cover a wide range. They include turning back the odometer (speedometer), which is alleged to be a wide-spread activity but one which is next to impossible to prove, to substituting a used tire as a spare in a new car sale.

"They also involve such things as withholding sales tax from the Revenue Department on paid transactions."

"Hearings divide into three general types: (1) formal hearings which often result in the dealer being tried in court for some type of fraud; (2) informal hearings at the district level conducted by a regional chief of the safety and enforcement division of the Michigan Department of State; and (3) informal hearings by the director of enforcement division.

"If a dealer is proven guilty, he can receive a suspension or revocation of his dealer's license," said Hare. "Where the dealer has an otherwise clean record, he may be just warned. He then comes under the closer scrutiny of the field enforcement operations of the Department of State.

"While these hearings are designed to provide a better deal for the buyer, in many instances we find that the dealer was not at fault and was wrongfully accused," said Hare. "This is actually a double-barreled protection program."

Hare said the best method of handling dishonest dealers is to keep them "out of business." In these situations, he noted fingerprints are important. Fingerprints of officers of incorporated auto dealers are taken, a program instituted about a year ago. They are checked through criminal files

Tiger Trip Saturday

INKSTER - Local senior citizens are sponsoring a trip to a Detroit Tiger baseball game at Tiger Stadium on Saturday, May 18.

Cost is 50 cents for each senior citizen. For those interested, call the Senior Citizens center, 565-0311 or 565-0370, by Friday, May 17. Bus for the trip will make pickups at designated spots around 12 noon Saturday.

The seniors monthly forum will be held at 2:30 p.m. Thursday, May 23, at the Le-Moyne Gardens building, 30005 Pine.

A program, "The Good Old Days," will be highlighted by music. All seniors with May birthdays will be honored.

Representatives from Old Age Assistance and Wayne County Suburban Legal Services will be on hand to discuss problems.

Seniors who need help with yard work may obtain a list of teen-age boys available at an hourly rate by calling the center.

Any inactive or home-bound senior can request a visit from the group's Friendly Visitor program by calling the center.

Registration for new members are now being taken for seniors at the center, 27441 Lehigh. There is no charge.

Man In Service

INKSTER - Marine Lance Corporal Michael P. Daly, son of Mr. and Mrs. Eugene P. Daly, of 600 Arlington, Inkster, was awarded the Vietnamese Cross of Gallantry for service with the First Marine Division in Vietnam.

The award is presented to Americans by the Vietnamese government for outstanding service against the enemy. He is a member of the ninth Engineer Battalion located near Danang. He entered the service in Sept., 1966.

and in instances where there is a question about the individual... if he has a criminal record or has a bad dealer record... he is denied a license.

"This tends to upgrade the entire automotive selling industry and prevent consumer fraud practices," said Hare.

Complaints against dealers are initiated in various ways.

"Persons may take up their problems with the attorney general's office or may report

alleged violations directly to our department," Hare said.

Basically, problems against dealers are of two types: (1) violations of law; and (2) violations of agreement.

"Unfortunately, in many instances a buyer may be taken by a 'fast' dealer and there is absolutely nothing anyone can do about it," Hare stated.

"These often involve verbal agreements between the dealer or salesman and the buyer. These are strictly cases of

caveat emptor, let the buyer beware.

"In instances where we can determine that there was fraud, we advise the aggrieved citizen to obtain legal counsel and, in addition, take action internally against the dealer's right to operate in Michigan.

Hare had these admonitions for car buyers:

1. "Go to a reputable dealer. The vast majority of dealers are honest. It's the old story of

the few 'rotten apples' spoiling it for the many.

2. Don't sign any blank documents... mainly financing papers.

3. Don't accept verbal agreements. Make all conditions of a deal on paper and get it signed by the dealer.

4. Question 'sensational deals.' Many sensational deals turn out to be just that... but for the seller and not the buyer."

Top Pilots Booked for Air Show

The Michigan Air Spectacular, with all the thrills of shows that toured the country during barnstorming days, will be held July 20 and 21 at Jackson.

Featured will be some of America's top aerobatic pilots, including 1967 U. S. champion Harold Krier, in daring low-level maneuvers and stunts. The show will be held at Reynolds Municipal Airport west of Jackson.

Missionaries Honored by Network

NEW YORK -- Today's Christian missionaries and service workers receive an overdue tribute on an ABC-TV color special scheduled for 10 p.m., Monday, May 20, titled "In the Name of God."

In contrast to the ancient picture of missionaries proselytizing and evangelizing, this documentary focuses on three Christians who solve the "earthly" problems of their parishioners.

A large portion of the documentary depicts Action for Food Production (AFPRO), a Protestant-Catholic priority program of agriculture production. Protestants support the program through Church World Service.

"In the Name of God," shows the cooperation of Protestant and Catholic missionaries in their day-to-day job of trying to alleviate starvation in overpopulated India. The AFPRO program concentrates on food production and the Christian missionaries teach the Indians new farming methods, and supervise well-drilling and use of fertilizers on crops.

Nursery School Selling Like Sets Open House 'Hot Cakes'

YPSILANTI -- An Open House will be held at Jumping Jack Nursery School May 19 from 2 to 4 p.m., it was announced.

The nursery school is located at 1177 South Grove Street. An open invitation to interested persons is extended. Refreshments will be served.

For information on enrollment at the school, readers are asked to call Mrs. Kenneth Askew, 483-5529, or Mrs. Richard Steiger, 482-9691.

State of Michigan flags are selling like proverbial "hot cakes!"

So reports Secretary of State James M. Hare who has sold out a gross of state flags on sale only last week to find that he is already sold out with orders piling up.

"We hope that persons who ordered their flags and who sent in their \$6.50 will be patient, because it may take a couple of weeks to fill their orders," the Secretary of State noted.

There will be a public hearing on the following described properties zoned R-T (Mobile Home Park) and R-1C (Residential) to amend the Zoning Ordinance No. 9-20-65 by amending the zoning map.

From R-T (Mobile Home Park) to M-2 (Heavy Industrial) as follows:

DESCRIPTION OF LOHR PROPERTY

The East 1/2 of the Northeast 1/4 of the Southeast 1/4 of Section 31, Town 3 South, Range 8 East, Van Buren Township, Wayne County, Michigan, except the South part thereof measuring 420.0 feet along the East section line and 150.0 feet along the West line thereof, containing 16.18 acres;

- and -

That part of the North 1/2 of the East 1/2 of the East 1/2 of the Southeast 1/4 of Section 31, Town 3 South, Range 8 East, Van Buren Township, Wayne County, Michigan, lying Southerly of the South line of the Wabash Railroad right-of-way, containing 1.20 acres;

- and -

That part of the West 1/2 of the Southwest 1/4 of Section 32, Town 3 South, Range 8 East, Van Buren Township, Wayne County, Michigan, lying Northerly of the Wabash Railroad right-of-way, containing 11.69 acres;

- and -

That part of the West 1/2 of the Southwest 1/4 of Section 32, Town 3 South, Range 8 East, Van Buren Township, Wayne County, Michigan, lying Southerly of the Wabash Railroad right-of-way, except that part thereof described as beginning at the Southwest corner of Section 32 and proceeding thence North 0 degrees 08 minutes West along the West line of said section 670.80 feet; thence North 89 degrees 57 minutes East 1294.33 feet; thence South 0 degrees 26 minutes 10 seconds West along the center line of Lohr Road 671.93 feet to the South line of Section 32; thence West along said South line 1287.65 feet to the point of beginning, containing 43.87 acres;

Excepting from the above described premises the home located at 49495 Martz Road and 0.5 acre upon which the same is situated, more particularly described as the East 110.0 feet of the West 438.0 feet of the North 198.0 feet of the East 1/2 of the Northeast 1/4 of the Southeast 1/4 of said Section 31 as above described.

From R-1C (Residential) in Section 11, Morton Taylor Road to the following proposed zones:

VARIOUS DESCRIPTIONS

The South 433.0 feet of the East 545.0 feet of the E 1/2 of the E 1/2 of the SW 1/4 of Section II, T. 3 S., R. 8 E., Van Buren Township, Wayne County, Michigan, except that part taken for Tyler Road, 66' wide, 5 acres more or less.

COMMERCIAL SITE

Beginning at a point on the South line of Ecorse Road being distant Southerly 226.95 feet and Westerly 400.0 feet from the N 1/4 corner of Section II, T. 3 S., R. 8 E., Van Buren Township, Wayne County, Michigan; thence Southerly 1250 feet; thence Westerly 960 feet; thence Northerly 1250 feet to the South line of Ecorse Road; thence Easterly along the South line of Ecorse Road to the point of beginning, 27.5 acres.

MOBILE HOME PARK

Beginning at a point on the North and South 1/4 line of Section II, T. 3 S., R. 8 E., Van Buren Township, Wayne County, Michigan, and the South line of Ecorse Road, said point being Southerly 226.95 feet from the N 1/4 corner of said Section II, thence along the North and South 1/4 line of Section II, Southerly 3580.0 feet; thence Easterly at right angle 1268.0 feet; thence Northerly at right angle 670.0 feet; thence N. 19° 30' East 1190.0 feet; thence Northerly 540.0 feet; thence Easterly at right angle 470.0 feet; thence Northerly 1250.0 feet to the South line of Ecorse Road; thence along the South line of Ecorse Road Easterly to the point of beginning. 69.3 acres.

TOWN HOUSES

Part of Section II, T. 3 S., R. 8 E., Van Buren Township, Wayne County, Michigan described as part of E 1/2 of the E 1/2 of the SW 1/4 also the E 1/2 of the W 1/2 of the SW 1/4 also the E 1/2 of the NW 1/4 also the W 1/2 of the E 1/2 of the NW 1/4 excepting those parts taken for road purposes also excepting the following, 122 acres more or less.

Public Hearing will be held in the Council Room, 46425 Tyler Road, Van Buren Township, Wayne County, Belleville, Michigan, Wednesday, June 12, 1968 at 8:00 P.M.

IRVING WALLACE,
Chairman, Planning Commission

ERMA J. PAYNE,
Clerk, Van Buren Township

RECEIVE HIGH DEGREE -- Five Masons from Belleville were among a class of 465 to receive the 32nd Degrees in Scottish Rite in Freemasonry over the weekend at the Masonic Temple in Detroit. The Speaker at the 32nd Degree Banquet held in the Fountain Ballroom recently and, attended by more than 1500 Masons was Rev. Ozie D. Pruitt of Indianapolis, a 33rd Degree Mason. From left to right: (Front row) John S. Collins, 45450 Geddes, Cecil C. Robins, 6935 Belleville Rd., Everett C. Welt 218 Huron, (Back row) John L. Welt 349 Sumpter Rd., Robert H. Welt, 45289 Willis.

LIST REGULATIONS

Area Postmasters Designate Mailbox Improvement Week

BELLEVILLE -- The Post Office Department has designated the week of May 20-25 as Mailbox Improvement Week this year.

Postmasters R.J. O'Neil of Belleville, George Austin of Romulus, and Harry Shiminsky of New Boston announced that a week is set aside every year as a time to encourage rural and

mounted city delivery patrons to improve the appearance of their mail boxes and to replace old and damaged boxes with new boxes designed to protect the mail from the weather, and which are neat in appearance, conveniently located, and safe to use.

On rural routes, mail boxes of approved traditional or contemporary design are required.

PATRONS STILL using the old-style top-opening boxes may continue to use them at their present location provided they are kept in good condition and afford adequate protection for the mail.

Unserviceable boxes, or those which expose mail to the weather, should be replaced. Boxes and supports should be kept painted and free of rust.

On city delivery motorized routes, the mail boxes may be either the approved traditional rural-type, the approved suburban box of contemporary design, or any mail receptacle which is conveniently located at the curb line and which affords protection for mail against the weather.

The use of house numbers and street and road names has been authorized in this area for rural routes. House numbers must be shown on the side of the box visible to the carrier as he approaches, or on the door where boxes are grouped side by side.

On both city mounted and rural routes, the street or road name as well as the house number must be shown if the box is not located directly in front of the owner's residence. The placing of the owner's name on the box is optional.

THE HEIGHT of boxes depends upon the type of vehicle used by the carrier. On rural routes, mail box posts should be of such height that the box can be served easily from the right hand window of a passenger car. A good height for rural box supports is approximately 42 inches from the ground to the

bottom of the box.

On city mounted routes, the supports should be higher, since these boxes are served by right hand driven Government mail trucks. About 48 to 50 inches from the ground to the bottom of the mail box is a good height.

Mail boxes must be located on the right side of the road in the direction of travel of the carriers. It is both dangerous for the carrier to drive on the left side of the road and a violation of Michigan State law.

Properly erected and maintained mail boxes contribute to efficient and speedy delivery of the mails. They are a credit to the postal patron and to the United States Postal Service.

City delivery and rural carriers appreciate mail boxes which are well located and safe and convenient to serve from their vehicles. Neat, attractive mail boxes will make a significant contribution to the objectives and success of President Johnson's natural beauty program.

Heston Nominees Named

Three outstanding area athletes who will wrap up their high school careers next month are among the 35 students nominated for the 1968 "Willie Heston Athletic - Scholarship Award."

They're Belleville's Donald Stabenow; Romulus Bobby Jones and Huron's Jerald Wells.

Stabenow, one of the best all-round athletes produced by the Tigers ranks 41 in a graduating class of 441. The 17-year-old, 175 pound versatile senior, has won five varsity letters, three in track and two in football.

He also gained special awards at the Youth Music Camp and is a member of the National Honor Society.

Wells has earned three varsity stripes in baseball and two in basketball and is ranked 29th scholastically in a class of 112. He captained the baseball team and is also a member of the National Honor Society.

Jones, a 6-foot-1, 225-pound senior, has played varsity football for four years and has also won recognition in track. He's 39th out of a class of 204.

Birk In Action

BELLEVILLE -- Brian Birk, son of Mr. and Mrs. Wilbert Birk of 6384 Denton Road is taking part in a three-month Caribbean maneuvers with the Third Battalion Sixth Marines of the United States Marine Corps.

Buddy Poppy Day Sale Announced

BELLEVILLE -- Annual Buddy Poppy Day Sale this year will be held May 23-25, Mayor Royce E. Smith in designating the event issued the following proclamation:

"WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: V.F.W. Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living;" therefore

I, Royce Smith, Mayor of the City of Belleville, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens."

The Alaskan moose is the largest of the deer family. Bulls oldest outdoor track record still may weigh as much as 1,400 on the books is the mark of pounds with antler spreads of 7,784.68 points set by Ken Doherty in the decathlon in 1929.

Teachers, Students Attend Meet

DETROIT -- More than 500 students and teachers from junior and senior high schools in the Detroit metropolitan area will participate in a student conference on "Poverty, Revolution, and World Order" at 11:30 a.m., today, Wednesday (May 15) in the Community Arts Auditorium at Wayne State University.

The conference is being sponsored by WSU's Center for Teaching About Peace and War. Among teachers and schools participating is Ermil Jones of Belleville High School.

Prices based on Coach Family Plan fares and double hotel occupancy. Charge-A-Trip is a service mark.

This year, take the vacation you thought you couldn't take.

Take a week in Florida, \$124.47

Florida has something for everyone. Sun, sand, Seminole, savoris and sumptuous hotels. All at easy to take prices.

Low summer prices mean that you can take a Florida vacation for about as much money as you spent last year at the lake, the cottage or the shore.

For instance, on Eastern's exclusive Miami Beach Party, or Fort Lauderdale Caper, a family of four can spend a week for only \$124.47 each.

Or fly to Tampa/St. Pete/Clearwater for a week-long Family Fun Coast vacation. Just \$130.38 each. All prices include hotel and round-trip jet. And you can pay the easy way on our Charge-A-Trip plan.

We make it easy to get there, too. With the only Super DC-8 to Miami.

For the details, see a Travel Agent. Or phone Eastern day or night at 965-8200.

And see how easy it is to take the vacation you thought you couldn't take.

We make it easier to fly

Inter-Community Cooperation in Area Cited by U.S.

WAYNE - The success of the Central Wayne County Sanitation Authority as an example of inter-community cooperation was recognized recently by the U.S. Department of Housing and Urban Development (HUD), according to Wayne City Manager Wallace Arrowsmith.

Arrowsmith, writing in the April issue of Michigan Municipal Review, said the authority was recognized by HUD in its award program for inter-governmental cooperation in urban development.

The authority also has a demonstration grant under HUD's solid-wastes program, and is ready to start construction of a fly-ash slurry-treatment facility in which waste materials will be treated chemically and will allow reuse of a high percentage of the water.

"As problems of urban growth become more numerous, more complex and more urgent, local municipalities are called on to exercise greater technical and administrative ingenuity and skill," Arrowsmith wrote, referring to the organization of the sanitation authority.

The cooperative aspect of the sanitation authority involved townships, villages, cities, the Detroit Metropolitan Regional Planning Commission, the Wayne County Health Department, the Huron-Clinton Metropolitan Authority, and the federal government, according to Arrowsmith.

The municipalities of Garden City; the Township of Dearborn, now the City of Dearborn Heights; the Township of Nankin, now the City of Westland; the Village of Inkster, now a city, and the Village of Wayne, now a city, were drawn together under the Detroit Metropolitan Regional Planning Commission's

guidance into the Central Wayne Planning Council along with the City of Dearborn and the Township of Romulus, Arrowsmith wrote.

"This group met monthly over a four-year period prior to 1955," Arrowsmith wrote, and concluded that the most pressing problem facing communities in this area in years to come would be garbage and rubbish disposal.

At the urging of the City of Dearborn, the municipalities agreed to prorate amongst themselves, according to population, the cost of a survey on the problem. Through the help and coordination of the Wayne County Health Department, the municipalities of Allen Park, Melvindale, Livonia, Plymouth Township, the City of Plymouth, Northville Village, and Northville Township joined the original five communities to form the Western Wayne County Communities. The City of Dearborn dropped out of the study.

In April 1954, according to Arrowsmith, the consultants' report was presented. Meetings continued on an informal basis until it became apparent that Garden City, Dearborn Heights, Westland, Inkster and Wayne had the greatest interest and could be grouped economically.

"In discussions leading to formal incorporation," according to Arrowsmith, "representatives agreed that the authority should never be extended beyond the five original communities. This decision was based on observations of the expansions of other authorities where board of directors had become unwieldy, causing control to be further removed from the individual communities. In addition, distance from the communities to the plant as well as from the plant to the ash disposal affects

costs in such an operation. It was agreed that every effort should be made to locate the plant in as central an area as possible to reduce transportation mileage for each community."

One immediate problem was finding a suitable location for the facility, according to Arrowsmith. Two sites were rejected after public hearings in the areas.

"Each hearing was attended by a few hundred emotionally charged citizens," Arrowsmith wrote, "some of whom lived as far as two miles from the proposed sites. The apparent stigma of an incinerator plant as they were operated then in many parts of the country brought objections despite promises of establishing one that would be practically smoke-free and beautifully landscaped."

The facility finally was established adjacent to an intersection in Dearborn Heights and across the street from Westland and Inkster, and on October 19, 1964, the incinerator plant opened officially. It has two continuous-feed reciprocating grate furnaces with a combined capacity of 500 tons per 24-hour day. Space was provided for a third furnace, and this now is in the planning stage.

Authority members now recognize that a further waste-disposal problem must be solved soon; disposing of non-burnables and industrial wastes.

"Studies are being made of these new problems and of whether joint-contract pickup or pickup by the authority itself should be contemplated in the near future," Arrowsmith said. "Thought also is being given to the inclusion of a dog pound on the site."

Young Area Singers Set for Festival

ROBERT CAMERON

MARY CARRIGAN

Young singers from Westland and Garden City will be taking part in the first annual Felician Elementary School's Musical Festival this Saturday, May 18 at St. Michael on Hubbard in Livonia.

Participating will be the first and eighth grade from Westland's St. Damian's, the first grade from Westland's St. Valentine's, and the third and fifth grade from Garden City's St. Dunstan's.

Although the Festival will consist primarily of vocal presentations, there will be instrumental performances by students from Wyandotte.

All participating groups will receive evaluations and comments from the judges.

The Festival will have two performances one at 1 p.m. and one at 3:30 p.m. There is no admission charge, and the public is invited to attend.

Fallout Survey Completed

LANSING -- Wayne, Inkster and Garden City were among the top state communities in response to the survey of fallout protection in homes.

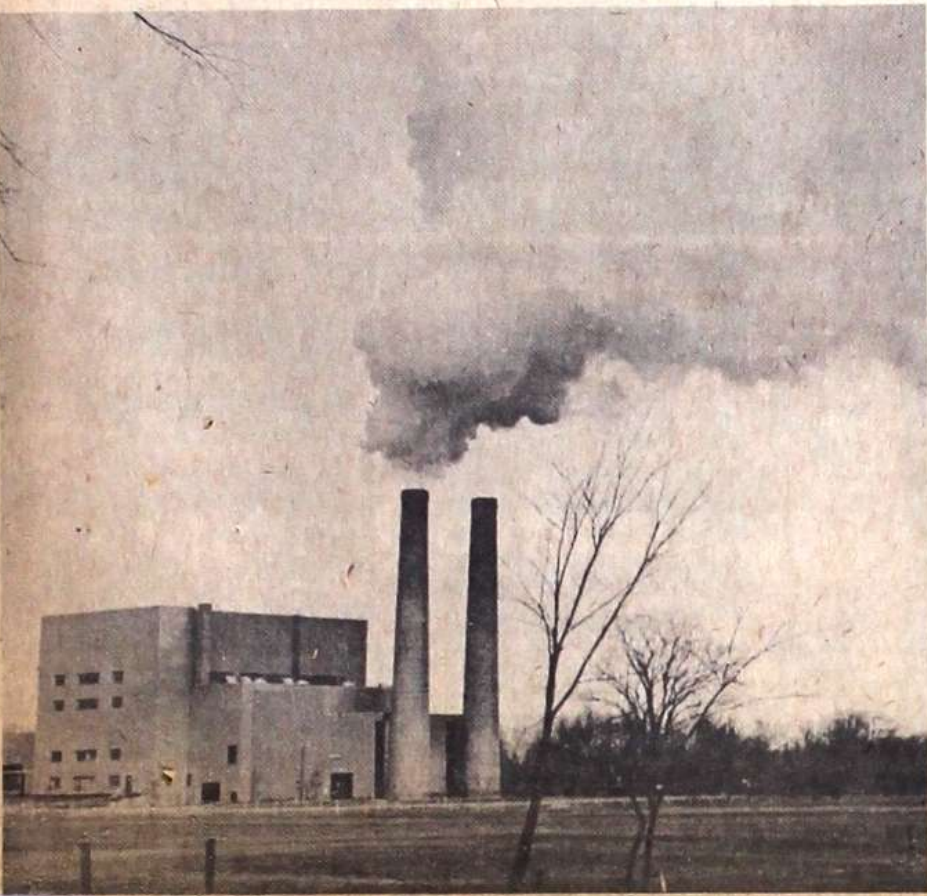

The state reported analyzing data reported from 1,969,146 homes. The mail portion of the survey recorded a 77.3 per cent response.

Purpose of the campaign was to advise homeowners of the fallout protection offered by their homes. Communities will also benefit by having access to data to assist in shelter planning. All homeowners who participated received detailed civil defense plans and information on how the protection offered by

his home could be upgraded at little expense.

Garden City had an 82.2 per cent response, Wayne had 78.7 percent, and Inkster was 73 percent.

He's looking for a woman who will look up to him as smart and handsome.

The result: A community incinerator

ARNOLD PALMER DISCOVERED THE DIFFERENCE

Bolens Husky tractors work the way you want them to!

Before each Bolens Husky was designed, two key questions had to be answered: "What should this unit be able to do?" "What will Bolens owners want it to do?" Answering these questions honestly and accurately has given Bolens Huskys an enviable reputation for leadership in compact tractor performance.

Only a Bolens Husky gives you all the help you want and need to power you through outdoor chores fast! From the rugged engine, to the live PTO that delivers positive, constant power to attachments... to the exclusive Fast-Switch Power-lock Hitch that makes attachment-changing a snap... to the fingertip-convenience control panel, you get extra-performance features you don't pay extra to get! So whether you choose a Bolens Husky with standard or with "hydrostatic" (automatic) transmission, you get champion operating efficiency, maintenance economy and unparalleled ease of handling, year round. Ask your dealer for a test-ride. You'll discover the Bolens Husky is a compact tractor you'll be proud to own!

Difference designed...with performance in mind!

SAFE TRIP—Youths from the local area were among 129 Michigan boys and girls at Gettysburg National Military Park as part of Automobile Club of Michigan's 32nd annual safety patrol trip. The park comprises the battlefield on which the most important and hotly contested Civil War battle was fought July 1-3, 1863. The patrol delegation, representing 100 Michigan cities, visited scenic and historic areas around Gettysburg as part of a four-day, all-expense-paid trip. At the historic park with Ernest P. Davis, Auto Club's retiring director of safety and Traffic, are, (left) Mark Wolfe, 11, of 8341 Terri, Westland; Howard J. Huff, 13, of 4190 Venoy Road, Wayne; Paul E. Crandall, 12, of 1622 Carlson, Westland; Paul Ragan, 12, of 581 Betty Lane Drive, Inkster; and Mark J. Cooper, 12, of 6694 Harrison, Garden City. Davis helped organize and lead the first Auto Club safety patrol trip in 1936. He is holding a plaque presented to him by the Michigan patrol delegation for "33 years of meritorious service in helping 'Bring 'Em Back Alive!' on Michigan highways." Davis retires in July.

Supt. Howard Invited to Harvard

Superintendent Harry Howard of the Wayne Community School District will become a member of the 1968 Advanced Administrative Institute at Harvard University, June 30th through July 12th.

Board President Warren Spurlin said: "Board members are pleased that Howard has received this invitation from Harvard."

For several years, the Harvard Graduate School has sponsored a summer institute designed for persons in leader-

ship positions that affect educational decisions. The theme for this year is Education, 1968: The Realities of Power. The theme is pertinent to the issues confronting people in leadership positions today.

The invitation was extended to Superintendent Howard by Dr. Herold C. Hunt, Eliot Professor of Education and Dr. Theodore R. Sizer, Dean, Graduate School of Education.

decisions about ways of governing schools, taxation and resource allocation, social policies and educational change. Further, accelerating urbanization expanding bureaucracies, and need for more effective communication in light of participation have intensified pressures for new arrangements in a decision-making process.

The Institute program lists such speakers as McCormack, Bundy, William Moyers, Mark R. Shedd, Bayard Rustin, John Spiegel, and B. Frank Brown.

Harvard administrators state that a dominant theme in today's society is who will make the

MOVIE GUIDE

(EDITOR'S NOTE: The following Movie Guide & Rating is prepared twice monthly by the Western Suburban Junior Woman's Club for use by interested parents in the selection of suitable movies for adults and young people in the Associated Newspaper area.)

BONNIE & CLYDE -- Portrayal of notorious couple who terrorized Southwest during depression with robbing and killing distorts historical fact to fit disturbingly sympathetic viewpoint. Adults. (Parents Magazine)

COOL HAND LUKE -- A gripping study of a prisoner in a Southern chain gang, who maintains his indomitable spirit in the face of cruel and arbitrary force. Adults. (Film Reports)

THE FOX -- D. H. Lawrence novella about the destruction of a lesbian relationship by a male intruder is the basis for this sensitive though not totally successful film. Not for Young People and Children. (Film Reports)

THE GRADUATE -- Director Mike Nichols' rollicking comedy about an alienated young hero's rebellion against solid-gold future in suburbia. Very mature for 12-16 year olds.

GUESS WHO'S COMING TO DINNER? -- The problems ahead for a racially mixed marriage are intelligently posed in a warmly human story. Adults, Mature Young People. (Film Reports)

HOMBRE -- Captured by Apaches as a child and raised as one of their own, Paul Newman finds it hard to adjust to the white world of eastern Arizona in the 1880's. Adults and Mature Young People. (Film Reports)

NO WAY TO TREAT A LADY -- Suspense drama interlaced with comic overtones. Mature for 12-16 year olds. (Parents Magazine)

THE NUTTY PROFESSOR -- Jerry Lewis comedy about a shy professor who discovers a formula that transforms him into Mr. Popularity, personified. General audience. (Parents Magazine)

PLANET OF THE APES -- The fascinating premise of this science fiction film is that a civilization could exist where apes are the rulers and men are hunted and caged. Mature for Children. (Parents Magazine)

THE PROFESSIONALS -- A wealthy rancher hires four gun-fighters to rescue his wife, a Mexican girl, who has been kidnapped by a guerilla leader in Mexico's 1917 revolution. Adults and Mature Young People. (Film Reports)

PSYCH OUT -- Another film of the psychedelic, hallucinatory, hippie variety. Very Mature for 12-16 year olds. (Parents Magazine)

ROUGH NIGHT IN JERICO -- Two ex-lawmen are matched in exciting, rough western. Mature for 12-16 year olds because of violence. (Parents Magazine)

THE SAND PEBBLES -- This long vigorous picture relates what happens to the United States gunboat San Pablo during the political unrest in China in the 1920's. Adults and Mature Young People. (Film Reports)

THE SHAKIEST GUN IN THE WEST -- Rated A-1 Unobjectionable for general patronage by the National Catholic Office for Motion Pictures.

WAIT UNTIL DARK -- Blind heroine of tense thriller becomes unwitting victim of criminal psychopath. Not for 12 and under. (Parents Magazine)

DID YOU HEAR THE ONE ABOUT THE TRAVELING SALES-LADY? -- Insane potpourri of cliché salesman jokes. General Audience. (Parents Magazine)

can look on contemporary design, dent Johnson's natural beauty or any mail receptacle which is program conveniently located

THE FURTHER PERILS OF LAUREL AND HARDY -- A second compilation of Laurel and Hardy antics takes in three shorts and excerpts from the comics' longer films, made from 1915 through the 20's. General Audience. (Film Reports)

Colonel Mary L. Milligan became director of the WAC in January, 1957.
